CONDITIONAL SALE AGREEMENT

Dated as of March 15, 1978

between

FIRST NATIONAL BANK AND TRUST COMPANY
OF EVANSTON, not in its individual
capacity but solely as Trustee under
a Trust Agreement dated as of the date
hereof with ITT Industrial Credit Company

and

WHITEHEAD & KALES COMPANY

CONDITIONAL SALE AGREEMENT dated as of March 15, 1978, between WHITEHEAD & KALES COMPANY (hereinafter called the Vendor or Builder as more particularly set forth in Article 1 hereof), and FIRST NATIONAL BANK AND TRUST COMPANY OF EVANSTON, acting not in its individual capacity but solely as trustee under the Trust Agreement dated as of the date hereof (hereinafter called the Trust Agreement) with ITT Industrial Credit Company, as beneficiary (said bank, when acting in such capacity, being hereinafter called the Vendee and said beneficiary being hereinafter called the Beneficiary).

WHEREAS the Builder agrees to construct, sell and deliver to the Vendee, and the Vendee agrees to purchase, the railroad equipment described in Annex B hereto (hereinafter called the Equipment); and

WHEREAS the Vendee is entering into a Lease of Equipment dated as of the date hereof with Seaboard Coast Line Railroad Company (hereinafter called the Lessee) in substantially the form annexed hereto as Annex C (hereinafter called the Lease); and

WHEREAS MERCANTILE-SAFE DEPOSIT AND TRUST COMPANY (hereinafter sometimes called the Assignee or the Vendor when acting in such capacity, as more particularly set forth in Article 1 hereof) is acting as agent for certain investors pursuant to the Participation Agreement dated as of the date hereof (hereinafter called the Participation Agreement), among the Vendee, the Assignee, the Lessee, the Beneficiary, and the parties named in Schedule A thereto;

NOW, THEREFORE, in consideration of the mutual promises, covenants and agreements hereinafter set forth, the parties hereto do hereby agree as follows:

ARTICLE 1. Assignment; Definitions. The parties hereto contemplate that the Vendee will furnish that portion of the Purchase Price (as hereinafter defined) for the Equipment as is required under subparagraph (a) of the third paragraph of Article 4 hereof and that an amount equal to the balance of such Purchase Price shall be paid to the Builder by the Assignee pursuant to an Agreement and Assignment dated

as of the date hereof between the Builder and the Assignee, as agent (such Agreement and Assignment being hereinafter called the Assignment).

The term "Vendor", whenever used in this Agreement, means, before any assignment of its rights hereunder, the party hereto which has manufactured the Equipment and any successor or successors for the time being to its manufacturing properties and business, and, after any such assignment, both any assignee or assignees for the time being of such particular assigned rights as regards such rights, and also any assignor as regards any rights hereunder that are retained or excluded from any assignment; and the term "Builder", whenever used in this Agreement, means, both before and after any such assignment, the party hereto which has manufactured the Equipment and any successor or successors for the time being to its manufacturing properties and business.

In case of such assignment, the Vendee will assign to the Vendor, as security for the payment and performance of all the Vendee's obligations hereunder, all right, title and interest of the Vendee in and to the Lease, pursuant to an Assignment of Lease and Agreement in the form of Annex D hereto (hereinafter called the Lease Assignment) and the Lessee shall consent thereto pursuant to a Consent and Agreement in the form attached to Annex D (hereinafter called the Consent).

ARTICLE 2. Construction and Sale. Pursuant to this Agreement, the Builder shall construct the Equipment at its plant set forth in Annex B hereto, and will sell and deliver to the Vendee, and the Vendee will purchase from the Builder and accept delivery of and pay for (as hereinafter provided), the Equipment, each unit of which shall be constructed in accordance with the specifications referred to in Annex B hereto and in accordance with such modifications thereof as may be agreed upon in writing between the Builder, the Vendee and the Lessee (which specifications and modifications, if any, are hereinafter called the Specifications). The design, quality and component parts of each unit of the Equipment shall conform, on the date of completion of manufacture thereof, to all regulatory requirements and specifications reasonably interpreted as being applicable to equipment of the character of such unit, and each such unit will be new equipment.

ARTICLE 3. Inspection and Delivery. The Builder will deliver the units of the Equipment to the Vendee at the place or places specified in Annex B hereto (or if Annex B does not specify a place or places, at the place or places designated from time to time by the Vendee), freight charges, if any, prepaid, in accordance with the delivery schedule set forth in Annex B hereto; provided, however, that delivery of any unit of the Equipment shall not be made until the filing or recordings referred to in Article 18 hereof (other than in the State of Florida) have been made; and provided, further, that the Builder shall have no obligation to deliver any unit of Equipment hereunder (i) subsequent to the commencement of any proceedings specified in clause (c) or (d) of Article 15 hereof or the occurrence of any event of default (as described in Article 15 hereof), or event which, with the lapse of time and/or demand, could constitute such an event of default or (ii) unless the Builder shall have been notified by the Assignee that the conditions contained in Paragraph 7 of the Participation Agreement have been met and that funds are on deposit with the Assignee in an amount not less than 60.6% of the Purchase Price (as defined in Article 4 hereof) of the units to be delivered and the Builder shall have been notified by the Vendee that the conditions contained in Paragraph 8 of the Participation Agreement have been met or waived. The Builder agrees not to deliver any unit of Equipment hereunder following receipt of written notice from the Vendee/Assignee (a) of the commencement of any such proceedings or the occurrence of any such event, as aforesaid, or (b) that any of the conditions contained in Paragraph 7 or 8 of the Participation Agreement have not been met or waived.

Any Equipment not delivered at the time of receipt by the Builder of the notice specified in the last sentence of the first paragraph of this Article 3, and any Equipment not delivered and accepted hereunder on or prior to December 31, 1978, by reason of failure of condition as provided in the next preceding paragraph or causes set forth in the next succeeding paragraph or otherwise, shall be excluded from this Agreement and the Vendee shall be relieved of its obligation to purchase and pay for such Equipment. If any Equipment shall be excluded herefrom pursuant to the immediately preceding sentence, the parties hereto shall execute an agreement supplemental hereto limiting this Agreement to the Equipment not so excluded herefrom. Pursuant to the Participation Agreement the Lessee has agreed to purchase such excluded Equipment and any Equipment excluded from this Agreement pursuant to the first paragraph of Article 4

hereof, from the Builder as provided in Paragraph 1 of the Participation Agreement.

The Builder's obligation as to the time of delivery set forth in Schedule B is subject, however, to delays resulting from causes beyond the Builder's reasonable control, including but not limited to acts of God, acts of government such as embargoes, priorities and allocations, war or war conditions, riot or civil commotion, sabotage, strikes, differences with workmen, accidents, fire, flood, explosion, damage to plant, equipment or facilities, delays in receiving necessary materials or delays of carriers or subcontractors.

During construction, the Equipment shall be subject to inspection and approval by the authorized inspectors of the Vendee (who may be employees of the Lessee) and the Builder shall grant to such authorized inspectors reasonable access to its plant. The Builder agrees to inspect the materials used in the construction of the Equipment in accordance with the standard quality control practices of the Builder. Upon completion of each unit or a number of units of the Equipment, such unit or units shall be presented to an inspector of the Vendee for inspection at the place specified for delivery of such unit or units, and if each such unit conforms to the Specifications, requirements and standards applicable thereto, such inspector or an authorized representative of the Vendee (who may be an employee of the Lessee) shall execute and deliver to the Builder a certificate of acceptance (hereinafter called the Certificate of Acceptance) stating that such unit or units have been inspected and delivery thereof accepted on behalf of the Vendee and are marked in accordance with Article 9 hereof; provided, however, that the Builder shall not thereby be relieved of its warranties referred to in Article 13 hereof.

Upon tender of delivery, inspection and acceptance of each such unit at the place specified for delivery pursuant to this Article 3, the Builder shall have no further responsibility for, nor bear any risk of, any damage to or the destruction or loss of such unit and the Vendee shall have responsibility for, and bear the risk of, any damage to or the destruction or loss of such unit; provided, however, that the Builder shall not thereby be relieved of its warranties referred to in Article 13 hereof.

Notwithstanding the foregoing or any other provision of this Agreement to the contrary, the delivery to and acceptance by or on behalf of the Vendee of any unit of Equipment excluded from this Agreement pursuant to the first para-

graph of Article 4 hereof shall be ineffective, ab initio, to create in or transfer to the Vendee any legal or beneficial right or interest in such unit or (except as provided in the first paragraph of Article 4 hereof) to impose on the Vendee any liability, obligation or responsibility with respect thereto; any right or interest in any such unit created in or transferred to, or purported to be created in or transferred to, the Vendee shall be held by the Vendee solely as trustee for the benefit of the Lessee.

ARTICLE 4. Purchase Price and Payment. The base price or prices per unit of the Equipment are set forth in Annex B hereto. Such base price or prices are subject to such increase or decrease as is agreed to by the Builder, the Vendee and the Lessee. The term "Purchase Price" as used herein shall mean the base price or prices as so increased or decreased as set forth in the Builder's invoice or invoices delivered to the Vendee and, if the Purchase Price is other than the base price or prices set forth in Annex B hereto, the invoice or invoices shall be accompanied by, or have endorsed thereon, the agreement or approval of the Lessee and the Vendee (such invoice or invoices being hereinafter called the Invoices). If on any Closing Date (as hereinafter defined in this Article) the aggregate Purchase Price of Equipment for which settlement is then being made under this Agreement would, but for the provisions of this sentence, exceed the Maximum Purchase Price specified in Item 3 of Annex A hereto (or such higher amount as the Vendee may at its option agree to prior to delivery of any unit or units of Equipment that, but for such agreement, would be excluded from this Agreement), the Builder (and any assignee of the Builder) and the Vendee will enter into an agreement excluding from this Agreement such unit or units of Equipment then proposed to be settled for and specified by the Vendee, as will, after giving effect to such exclusion, reduce such aggregate Purchase Price under this Agreement to not more than the Maximum Purchase Price specified in Item 3 of Annex A hereto (or such higher amount as aforesaid) and the Vendee shall take such other steps, including the execution of instruments of transfer, as it may be reasonably requested by the Lessee for the purpose of acknowledging and perfecting the interest of the Lessee in any unit of Equipment so excluded from this Agreement, and the Vendee shall have no further obligation or liability in respect of units so excluded.

The Equipment shall be settled for in not more than two groups delivered to and accepted by the Vendee. The term

"Group", as used herein, shall mean the group of units of Equipment being settled for on any Closing Date, which units had not theretofore been settled for and which units shall have been delivered and accepted prior to ten days before such Closing Date. The term "Closing Date" with respect to any such Group shall mean such date (not earlier than April 15, 1978, and not later than December 31, 1978, such date being herein called the Cut-Off Date), occurring not more than ten days following presentation by the Builder to the Vendee of the Invoices and of the Certificate or Certificates of Acceptance for the Equipment and written notice thereof by the Builder to the Lessee, as shall be fixed by the Lessee by written notice delivered to the Vendee and the Assignee at least five days prior to the Closing Date designated therein.

The Vendee hereby acknowledges itself to be indebted to the Vendor in the amount of, and hereby promises to pay in cash to the Vendor at such place as the Vendor may designate, the Purchase Price of the Equipment, as follows:

(a) on the Closing Date with respect to each Group (i) an amount equal to 39.4% of the aggregate Purchase Price plus (ii) the amount, if any, by which (x) 60.6% of the Purchase Price of the Equipment covered by this Agreement thereupon being settled for, as set forth in the Invoice or Invoices therefor (said invoiced prices being herein called the Invoiced Purchase Prices), exceeds (y) the Maximum Conditional Sale Indebtedness specified in Item 4 of Annex A and any amount or amounts previously paid or payable with respect to the Invoiced Purchase Prices pursuant to this clause (ii); and

(b) in 18 semiannual instalments, as hereinafter provided, an amount equal to the aggregate Purchase Price of the units of Equipment included in such Group for which settlement is then being made, less the aggregate amount paid or payable with respect thereto pursuant to subparagraph (a) of this paragraph.

The portion of the Purchase Price of the units of Equipment included in each Group payable pursuant to subparagraph (b) of the preceding paragraph (herein called the Conditional Sale Indebtedness) shall be payable on each January 1 and July 1, commencing January 1, 1979, to and including July 1, 1987 (or if any such date is not a business day, on the next succeeding business day), each such date being

hereinafter called a Payment Date. The unpaid balance of the Conditional Sale Indebtedness shall bear interest from the Closing Date in respect of which such indebtedness was incurred at the rate of 8-7/8% per annum. Such interest shall be payable, to the extent accrued, on July 1, 1978, and each Payment Date thereafter. The installments of principal of the Conditional Sale Indebtedness in respect of each Group shall be calculated so that the amount and allocation of principal thereof and interest thereon payable on each Payment Date shall be substantially in proportion to the amount and allocation of principal and interest on such Payment Date set forth in Schedule I hereto and the aggregate of such installments of principal will completely amortize the Conditional Sale Indebtedness in respect of such Group. The Vendee will furnish to the Vendor and the Lessee promptly after each Closing Date a schedule, in such number of counterparts as shall be requested by the Vendor, showing the Payment Dates for the Conditional Sale Indebtedness incurred on such Closing Date and the respective amounts of principal of and interest on such Conditional Sale Indebtedness payable on each Payment Date.

Interest under this Agreement shall be determined on the basis of a 360-day year of twelve 30-day months, except that interest payable on July 1, 1978, shall be calculated on an actual elapsed day 365-day year basis.

The Vendee will pay, to the extent legally enforceable, interest upon all amounts remaining unpaid after the same shall have become due and payable pursuant to the terms hereof at the rate of 9-7/8% per annum.

All payments provided for in this Agreement shall be made in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts. All such payments may be made by the Vendee to the Vendor by wire transfer of Federal or other immediately available funds. Except as provided in Article 7 hereof, the Vendee shall not have the privilege of prepaying any portion of the Conditional Sale Indebtedness prior to the date it becomes due.

The obligation of the Vendee to pay to the Vendor the amount required to be paid pursuant to subparagraph (a) of the third paragraph of this Article 4 with respect to the Group shall be subject to the receipt by the Vendee of the documents required to be furnished by the Builder pursuant to Section 4 of the Assignment in respect of the Group.

Notwithstanding any other provision of this Agreement (including, but not limited to, any provision of Articles 15 and 16 hereof), but not limiting the effect of Article 21 hereof, it is understood and agreed by the Vendor and its successors or assigns that the liability of the Vendee, the Beneficiary or any assignee of the Vendee for all payments to be made by it under and pursuant to this Agreement, including any liability arising out of or in connection with the performance of its obligations hereunder and excluding only the obligations set forth in the proviso in the third paragraph of Article 12 hereof and the payments to be made pursuant to subparagraph (a) of the third paragraph of this Article, shall not exceed an amount equal to, and shall be payable only out of, the "income and proceeds from the Equipment", and such payments shall be made by the Vendee only to the extent that the Vendee or any assignee of the Vendee shall have actually received sufficient "income and proceeds from the Equipment" to make such payments. As used herein the term "income and proceeds from the Equipment" shall mean (i) if one of the events of default specified in Article 15 hereof shall have occurred and while it shall be continuing, so much of the following amounts as are indefeasibly received by the Vendee or any assignee of the Vendee at any time after any such event and during the continuance thereof: (a) all amounts of rental and amounts in respect of Casualty Occurrences (as defined in Article 7 hereof) paid for or with respect to the Equipment pursuant to the Lease and any and all other payments received under § 10 or any other provision of the Lease and (b) any and all payments or proceeds received for or with respect to the Equipment as the result of the sale, lease or other disposition thereof, after deducting all costs and expenses of such sale, lease or other disposition, and (ii) at any other time only that portion of the amounts referred to in the foregoing clauses (a) and (b) (not including amounts paid by the Lessee to the Vendee as reimbursement of sums paid by the Vendee on account of prior defaults under paragraph (a) of Article 15) as are indefeasibly received by the Vendee or any assignee of the Vendee and as shall equal the portion of the Conditional Sale Indebtedness (including prepayments thereof required in respect of Casualty Occurrences) and/or interest thereon due and payable on the date such amounts were required to be paid pursuant to the Lease or as shall equal any other payments then due and payable under this Agreement; it being understood that "income and proceeds from the Equipment" shall in no event include (x) amounts referred to in the foregoing clauses (a) and (b) received by the Vendee or any assignee of the Vendee prior to the existence of such an event of default which exceeded the amounts required to discharge that portion of

the Conditional Sale Indebtedness (including prepayments thereof required in respect of Casualty Occurrences) and/or interest thereon due and payable on the date on which amounts with respect thereto received by the Vendee or any assignee of the Vendee were required to be paid to it pursuant to the Lease or which exceeded any other payments due and payable under this Agreement at the time such amounts were payable under the Lease or (y) payments by the Lessee to the Vendee pursuant to §§ 6 and 9 of the Lease (except to the extent that the Vendee is obligated to indemnify the Vendor under Articles 6 and 13 hereof) or (z) payments required to be made by the Lessee to the Vendee or the Beneficiary pursuant to the Participation Agreement. Notwithstanding anything to the contrary contained in Article 15 or 16 hereof, the Vendor agrees that in the event it shall obtain a judgment against the Vendee for an amount in excess of the amounts payable by the Vendee pursuant to the limitations set forth in this paragraph, it will limit its execution of such judgment to amounts payable pursuant to the limitations set forth in this paragraph. Nothing contained herein limiting the liability of the Vendee shall derogate from the right of the Vendor to proceed against the Equipment for the full unpaid Purchase Price of the Equipment and accrued interest thereon and all other payments and obligations hereunder.

ARTICLE 5. Security Interest in the Equipment.

The Vendor shall and hereby does retain a security interest in the Equipment until the Vendee shall have made all its payments under this Agreement and shall have kept and performed all its agreements herein contained, notwithstanding any provision of this Agreement limiting the liability of the Vendee and notwithstanding the delivery of the Equipment to and the possession and use thereof by the Vendee and the Lessee as provided in this Agreement and the Lease. Any and all additions to the Equipment (other than such additions, any portion of the cost of which was paid by Lessee, as are readily removable without causing material damage to the Equipment) and any and all replacements of the Equipment and of parts thereof and additions thereto shall constitute accessions to the Equipment and shall be subject to all the terms and conditions of this Agreement and included in the term "Equipment" as used in this Agreement.

Except as otherwise specifically provided in Article 7 hereof, when and only when the Vendor shall have been paid the full indebtedness in respect of the Purchase Price of the Equipment, together with accrued interest and all other payments as herein provided, absolute right to the possession of, title to and property in the Equipment shall

pass to and vest in the Vendee without further transfer or action on the part of the Vendor. However, the Vendor, if so requested by the Vendee at that time, will (a) execute a bill or bills of sale for the Equipment releasing its security interest therein to the Vendee or upon its order, free of all liens, security interests and other encumbrances created or retained hereby and deliver such bill or bills of sale to the Vendee at its address referred to in Article 20 hereof, (b) execute and deliver at the same place, for filing, recording or depositing in all necessary public offices, such instrument or instruments in writing as may be necessary or appropriate in order then to make clear upon the public records the title of the Vendee to the Equipment and (c) pay to the Vendee any money paid to the Vendor pursuant to Article 7 hereof and not theretofore applied as therein provided. The Vendee hereby waives and releases any and all rights, existing or that may be acquired, in or to the payment of any penalty, forfeit or damages for failure to execute and deliver such bill or bills of sale or instrument or instruments or to file any certificate of payment in compliance with any law or statute requiring the filing of the same, except for failure to execute and deliver such bill or bills of sale or instrument or instruments or to file such certificate within a reasonable time after written demand by the Vendee.

ARTICLE 6. Taxes. All payments to be made by the Vendee hereunder will be free of expense to the Vendor for collection or other charges and will be free of expense to the Vendor with respect to the amount of any local, state, federal or foreign taxes (other than gross receipts taxes [except gross receipt taxes in the nature of or in lieu of sales or use or rental taxes or license fees], taxes measured by Vendor's net income, Vendor's value added taxes, excess profits taxes and similar taxes or general corporation, franchise or like taxes measured by Vendor's capital, capital stock or net worth) or license fees, assessments, charges, fines or penalties hereafter levied or imposed upon or in connection with or measured by this Agreement or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof (all such expenses, taxes, license fees, assessments, charges, fines and penalties being hereinafter called impositions), all of which such impositions the Vendee assumes and agrees to pay on demand in addition to the Purchase Price of the Equipment. The Vendee will also pay promptly all impositions which may be imposed upon the Equipment for the use or operation thereof (except as provided above) or upon the earnings arising therefrom (except as provided above) or upon the Vendor solely by

reason of its security title therein (except as provided above) and will keep at all times all and every part of the Equipment free and clear of all impositions which might in any way affect the security interest of the Vendor or result in a lien upon any part of the Equipment; provided, however, that the Vendee shall be under no obligation to pay any impositions of any kind so long as it is contesting in good faith and by appropriate legal or administrative proceedings such impositions and the nonpayment thereof does not, in the reasonable opinion of the Vendor, adversely affect the security interest or property or rights of the Vendor in or to the Equipment or otherwise under this Agreement. If any impositions shall have been charged or levied against the Vendor directly and paid by the Vendor, the Vendee shall reimburse the Vendor upon presentation of an invoice therefor, and any amounts so paid by the Vendor shall be secured by and under this Agreement; provided, however, that the Vendee shall not be obligated to reimburse the Vendor for any impositions so paid unless the Vendor shall have been legally liable with respect thereto (as evidenced by an opinion of counsel for the Vendor) or unless the Vendee shall have approved in writing the payment thereof.

ARTICLE 7. Maintenance; Casualty Occurrences.

The Vendee shall, at its own cost and expense, maintain and keep each unit of the Equipment in good operating order, repair and condition and, without limiting the foregoing, in such condition that will allow the Units to be used in interchange, reasonable wear and tear excepted.

In the event that any unit of the Equipment shall be or become worn out beyond repair, lost, stolen, destroyed, or irreparably damaged, from any cause whatsoever, or taken or requisitioned by condemnation or requisitioned for use or otherwise, except requisition for use by the United States Government for a stated period not in excess of the then remaining term of the Lease (such occurrences being herein called Casualty Occurrences), the Vendee shall promptly cause the Vendor to be fully informed in regard thereto. On the next succeeding date for the payment of interest on the Conditional Sale Indebtedness in respect of the Group of Equipment in which such unit was included (hereinafter called a Casualty Payment Date), the Vendee shall pay to the Vendor a sum equal to the Casualty Value (as hereinafter defined in this Article) of such unit suffering a Casualty Occurrence as of the date of such payment and shall file, or cause to be filed, with the Vendor a certificate setting forth the Casualty Value of such unit. Any money paid to the Vendor pursuant to

this paragraph shall be applied (after the payment of the interest and principal due on such date) to prepay without penalty or premium, ratably in accordance with the unpaid balance of each instalment, the Conditional Sale Indebtedness in respect of the Group of Equipment in which such unit was included and the Vendee will promptly furnish to the Vendor and the Lessee a revised schedule of payments of principal and interest thereafter to be made in respect of the Group of Equipment in which such unit was included, in such number of counterparts as the Assignee may request. In the event of the requisition for use by the United States Government of any unit of the Equipment not constituting a Casualty Occurrence, all of the Vendee's obligations hereunder with respect to such unit shall continue to the same extent as if such requisition had not occurred.

Upon payment by the Vendee to the Vendor of the Casualty Value of any unit of the Equipment having suffered a Casualty Occurrence, absolute right to the possession of, title to and property in such unit shall pass to and vest in the Vendee, without further transfer or action on the part of the Vendor, except that the Vendor, if requested by the Vendee, will execute and deliver to the Vendee, at the expense of the Vendee, an appropriate instrument confirming such passage to the Vendee of all the Vendor's right, title and interest, and the release of the Vendor's security interest, in such unit, in recordable form, in order that the Vendee may make clear upon the public records the title of the Vendee to such unit.

The Casualty Value of each unit of the Equipment suffering a Casualty Occurrence shall be deemed to be that portion of the original Conditional Sale Indebtedness of such unit remaining unpaid on the date as of which such Casualty Value shall be determined (without giving effect to any prepayment or prepayments theretofore made under this Article with respect to any other unit), plus interest accrued thereon but unpaid as of such date. For the purpose of this paragraph, each payment of the Conditional Sale Indebtedness in respect of a Group of Equipment made pursuant to Article 4 hereof shall be deemed to be a payment on each unit of the Equipment included in such Group in like proportion as the original Conditional Sale Indebtedness of such unit bears to the aggregate original Conditional Sale Indebtedness of the Equipment included in such Group.

The Vendee will at all times prior to the payment of the full indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon and all

other payments required hereby, cause to be carried and maintained insurance in respect of the Equipment at the time subject hereto in amounts and against risks customarily insured against by railroad companies; provided, however, that the Lessee shall in any event maintain such insurance in respect of the Equipment, and shall maintain public liability insurance in respect of the Equipment, in the same amounts and against the same risks insured against by the Lessee on similar equipment owned by it.

ARTICLE 8. Reports and Inspections. On or before March 31 in each year, commencing with the year 1979, the Vendee shall cause to be furnished to the Vendor an accurate statement (a) setting forth as at the preceding December 31 the amount, description and numbers of all units of the Equipment then subject to this Agreement, as to each Unit of Equipment, the descriptions and numbers of the railroad equipment to which such unit is attached and the amount, description and numbers of all units of the Equipment that have suffered a Casualty Occurrence during the preceding calendar year (or since the date of this Agreement in the case of the first such statement) or are then undergoing repairs (other than running repairs) or then withdrawn from use pending such repairs (other than running repairs) and setting forth such other information regarding the condition and state of repair of the Equipment as the Vendor may reasonably request and (b) stating that, in the case of all Equipment repaired or repainted during the period covered by such statement, the numbers and markings required by Article 9 hereof have been preserved or replaced. The Vendor shall have the right, at its sole cost and expense, by its agents, to inspect the Equipment and the Lessee's records from which the statement referred to in clause (a) of this Section 8 is prepared and records relating to the location of the Units at such reasonable times as the Vendor may request during the term of this Agreement.

ARTICLE 9. Marking of the Equipment. The Vendee will cause each unit of the Equipment to be kept numbered with its identifying number as set forth in Schedule B hereto, or in the case of Equipment not there listed such identifying number as shall be set forth in any amendment or supplement hereto extending this Agreement to cover such Equipment, and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of each unit, in letters not less than one inch in height, the words "Leased from First National Bank and Trust Company of Evanston, as Trustee, and Ownership Subject to a Security Interest under the Uniform

Commercial Code", or other appropriate words designated by the Vendor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the Vendor's security interest in the Equipment and its rights under this Agreement. The Vendee will not permit any such unit to be placed in operation or exercise any control or dominion over the same until such markings have been made thereon and will replace promptly any such markings which may be removed, defaced or destroyed. The Vendee will not permit the numbers of any unit of the Equipment to be changed except in accordance with a statement of new numbers to be substituted therefor, which statement previously shall have been filed with the Vendor and filed, recorded and deposited by the Vendee in all public offices where this Agreement shall have been filed, recorded and deposited.

Except as provided in the immediately preceding paragraph, the Vendee will not allow the name of any person, association or corporation to be placed on any unit of the Equipment as a designation that might be interpreted as a claim of ownership; provided, however, that the Equipment may be lettered with the names or initials or other insignia customarily used by the Lessee or its affiliates.

ARTICLE 10. Compliance with Laws and Rules. During the term of this Agreement, the Vendee will comply, and will cause every lessee or user of the Equipment to comply, in all respects (including, without limitation, with respect to the use, maintenance and operation of the Equipment) with all applicable laws of the jurisdictions in which its or such lessee's or user's operations involving the Equipment may extend and with all lawful rules of the United States Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Equipment, to the extent that such laws and rules affect the title, operation or use of the Equipment, and in the event that such laws or rules require any alteration, replacement or modification of or to any part on any unit of the Equipment, the Vendee will conform therewith at its own expense; provided, however, that the Vendee or the Lessee may, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the reasonable opinion of the Vendor, adversely affect the property or rights of the Vendor under this Agreement.

ARTICLE 11. Possession and Use. The Vendee, so long as an event of default shall not have occurred and be

continuing under this Agreement, shall be entitled, from and after delivery of the Equipment by the Builder to the Vendee, to the possession of the Equipment and the use thereof, but only upon and subject to all the terms and conditions of this Agreement.

The parties hereto acknowledge that the Vendee simultaneously is leasing the Equipment to the Lessee as provided in the Lease, and the rights of the Lessee and its permitted assigns under the Lease shall be subordinated and junior in rank to the rights, and shall be subject to the remedies, of the Vendor under this Agreement. The Lease shall not be amended or terminated (except in accordance with its terms) without the prior written consent of the Vendor. In the event of termination of the aforesaid Lease during the term of this Agreement, the Vendee may also lease the Equipment to any other railroad company, but only with the prior written consent of the Vendor, which consent may be subject to the conditions, among others, that (i) such lease shall provide that the rights of such lessee are made expressly subordinate to the rights and remedies of the Vendor under this Agreement, (ii) such lessee shall expressly agree not to assign or permit the assignment of any unit of the Equipment to service involving the regular operation and maintenance thereof outside the United States of America and (iii) such lease shall be assigned to the Vendor as security on terms consistent with those set forth in Annex D hereto, and in any event satisfactory to the Vendor.

ARTICLE 12. Prohibition Against Liens. The Vendee will pay or discharge any and all sums claimed by any party from, through or under the Vendee or its successors or assigns which, if unpaid, might become a lien, charge or security interest (other than an encumbrance created by the Vendor or resulting from claims against the Vendor not related to the ownership of the Equipment) upon or with respect to the Equipment, or any unit thereof, or the Vendee's interests in the Lease and the payments to be made thereunder equal or superior to the Vendor's security interest therein, and will promptly discharge any such lien, charge or security interest which arises, but shall not be required to pay or discharge any such claim so long as the validity thereof shall be contested in good faith and by appropriate legal or administrative proceedings in any reasonable manner and the nonpayment thereof does not, in the reasonable opinion of the Vendor, adversely affect the security interest of the Vendor in or to the Equipment or otherwise under this Agreement. Any amounts paid by the

Vendor in discharge of such liens, charges or security interests upon the Equipment shall be secured by and under this Agreement.

This covenant will not be deemed breached by reason of liens for taxes, assessments or governmental charges or levies, in each case not due and delinquent, or undetermined or inchoate materialmen's, mechanics', workmen's, repairmen's or other like liens arising in the ordinary course of business and, in each case, not delinquent.

The foregoing provisions of this Article 12 shall be subject to the limitations set forth in the last paragraph of Article 4 hereof and the provisions of Article 21 hereof; provided, however, that the Vendee will pay or discharge any and all claims, liens, charges or security interests claimed by any party from, through or under the Vendee, the Beneficiary or their successors or assigns, not arising out of the transactions contemplated hereby (but including property tax liens, sales and use tax liens and any other tax liens arising out of the receipt of the income and proceeds from the Equipment), equal or superior to the Vendor's security interest therein, which, if unpaid, might become a lien, charge or security interest on or with respect to the Equipment, or any unit thereof, or the Vendee's or Beneficiary's interests in the Lease and the payments to be made thereunder, but the Vendee shall not be required to pay or discharge any such claim so long as the validity thereof shall be contested in good faith and by appropriate legal or administrative proceedings in any reasonable manner and the nonpayment thereof does not, in the reasonable opinion of the Vendor, adversely affect the security interest of the Vendor in or to the Equipment or otherwise under this Agreement or in and to the Lease and the payments to be made thereunder.

ARTICLE 13. Indemnities and Warranties. The Vendee assumes the risk of and agrees to indemnify, protect and hold harmless the Vendor from and against all losses, damages, injuries, liabilities, claims (including without limitation claims for strict liability in tort) and demands whatsoever, regardless of the cause thereof, and expenses in connection therewith, including, but not limited to, counsel fees and expenses, penalties and interest, arising out of or as the result of the entering into or the performance of this Agreement, the retention by the Vendor of a security interest in the Equipment, the ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return

of any of the Equipment, any accident, in connection with the operation, use, condition, possession, storage or return of any of the Equipment resulting in damage to property or injury or death to any person during the period while a security interest therein remains in the Vendor or during the period of the transfer of such security interest in the Equipment by the Vendor pursuant to any of the provisions of this Agreement, except however, in the case of the Builder, any losses, damages, injuries, liabilities, claims and demands whatsoever arising out of any tort by the Builder, or out of any breach of warranty or failure to perform any covenant hereunder by the Builder. This covenant of indemnity shall continue in full force and effect notwithstanding the full payment of the indebtedness in respect of the Purchase Price of, and the release of the security interest in, the Equipment, as provided in Article 5 hereof, or the termination of this Agreement in any manner whatsoever.

The Vendee will bear the responsibility for and risk of, and shall not be released from its obligations under this Agreement (except as provided in Articles 7 and 21 hereof) in the event of, any damage to or the destruction or loss of any unit of or all the Equipment.

The Builder represents and warrants to the Vendee that, at the time of delivery and acceptance of each unit of the Equipment under this Agreement, the Vendee will receive good and marketable title to such unit, free and clear of all claims, liens, security interests and other encumbrances of any nature except only the rights of the Vendor under this Agreement and the rights of the Lessee under the Lease.

Except in cases of articles or materials specified by the Lessee and not manufactured by the Builder and in cases of designs, systems, processes, formulae or combinations specified by the Lessee and not developed or purported to be developed by the Builder, the Builder agrees to indemnify, protect and hold harmless the Vendee and, as third party beneficiary hereof, the Lessee from and against any and all liability, claims, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Vendee, the Lessee, its or their assigns or the users of the Equipment because of the use in or about the construction or operation of any of the Equipment of any design, system, process, formula, combination, article or material which infringes or is claimed to infringe

on any patent or other right. The Vendee likewise will indemnify, protect and hold harmless the Builder from and against any and all liability, claims, demands, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Builder because of the use in or about the construction or operation of the Equipment, or any unit thereof, of any design, process or combination specified by the Lessee and not developed or purported to be developed by the Builder, or article or material specified by the Lessee and not manufactured by the Builder, which infringes or is claimed to infringe on any patent or other right. The Builder agrees to and hereby does, to the extent legally possible without impairing any claim, right or cause of action hereinafter referred to, assign, set over and deliver to the Lessee every claim, right and cause of action which the Builder has or hereafter shall have against the seller or sellers of any designs, systems, processes, formulae, combinations, articles or materials specified by the Lessee and purchased or otherwise acquired by the Builder for use in or about the construction or operation of any of the Equipment on the ground that any such design, system, process, formula, combination, article or material or operation thereof infringes or is claimed to infringe on any patent or other right. The Builder further agrees to execute and deliver to the Lessee or the Vendee or the users of the Equipment all and every such further assurance as may be reasonably requested by the Lessee or the Vendee to more fully effectuate the assignment and delivery of every such claim, right and cause of action. Such covenants of indemnity shall continue in full force and effect notwithstanding the full payment of all sums due under this Agreement, the satisfaction and discharge of this Agreement or the termination of this Agreement in any manner.

The Builder represents that it is not entering into this Agreement, or entering into any assignment of this Agreement, directly or indirectly in connection with any arrangement or understanding in any way involving any employee benefit plan (other than a governmental plan) with respect to which it is a party in interest, all within the meaning of the Employee Retirement Income Security Act of 1974.

The agreement of the parties relating to the Builder's warranty of material and workmanship is set forth in Item 2 of Annex A hereto.

ARTICLE 14. Assignments. The Vendee will not (a) except as provided in Article 11 hereof, transfer the right to possession of any unit of the Equipment or (b) sell, assign, transfer or otherwise dispose of its rights under this Agreement without the prior written consent of the Vendor, except as provided in Article VII or VIII of the Trust Agreement.

All or any of the rights, benefits and advantages of the Vendor under this Agreement, including the right to receive the payments herein provided to be made by the Vendee, may be assigned by the Vendor and reassigned by any assignee at any time or from time to time; provided, however, that no such assignment shall be made to any person other than the Assignee or a recognized financial institution having net worth, a capital and surplus, as the case may be, of at least \$25,000,000 without the prior written consent of the Vendee. No such assignment shall subject any assignee to, or relieve the Builder from, any of the obligations of the Builder to construct and deliver the Equipment in accordance herewith or to respond to its warranties and indemnities referred to in Article 13 hereof, or relieve the Vendee of its respective obligations to the Builder contained in Articles 2, 3, 4, 6 and 13 hereof, Annex A hereto and this Article 14, or any other obligation which, according to its terms or context, is intended to survive an assignment.

Upon any such assignment, the assignor shall give written notice to the Vendee and the Lessee, together with a counterpart or copy of such assignment, stating the identity and post office address of the assignee, and such assignee shall, by virtue of such assignment, acquire all the assignor's right, title and interest in and to the Equipment and this Agreement, or in and to a portion thereof, as the case may be, subject only to such reservations as may be contained in such assignment. From and after the receipt by the Vendee of the notification of any such assignment, all payments thereafter to be made by the Vendee under this Agreement shall, to the extent so assigned, be made to the assignee in such manner as it may direct.

The Vendee recognizes that this Agreement will be assigned to the Assignee as provided in the Assignment. The Vendee expressly represents, for the purpose of assurance to any person, firm or corporation considering the acquisition of this Agreement or of all or any of the rights of the Vendor hereunder, and for the purpose of inducing such

acquisition, that the rights of the Assignee to the entire unpaid indebtedness in respect of the Purchase Price of the Equipment or such part thereof as may be assigned together with interest thereon, as well as any other rights hereunder which may be so assigned, shall not be subject to any defense, setoff, counterclaim or recoupment whatsoever arising out of any breach of any obligation of the Builder with respect to the manufacture, construction, delivery or warranty of the Equipment (which obligations shall be construed to include, without limitation, the indemnification provisions of the fourth paragraph of Article 13 hereof) nor subject to any defense, setoff, counterclaim or recoupment whatsoever arising by reason of any other indebtedness or liability at any time owing to the Vendee or the Lessee by the Builder. Any and all such obligations, howsoever arising, shall be and remain enforceable by the Vendee or the Lessee, as the case may be, against and only against the Builder.

ARTICLE 15. Defaults. In the event that any one or more of the following events of default shall occur and be continuing, to wit:

(a) the Vendee shall fail to pay in full any sum payable by the Vendee when payment thereof shall be due hereunder (irrespective of the provisions of Article 4 or 21 hereof or any other provision of this Agreement limiting the liability of the Vendee) and such default shall continue for ten days after the date such payment became due and payable; or

(b) the Vendee (irrespective of the provisions of Article 4 or 21 hereof or any other provision of this Agreement limiting the liability of the Vendee) or the Lessee shall, for more than 30 days after the Vendor shall have demanded in writing performance thereof, fail or refuse to comply with any other covenant, agreement, term or provision of this Agreement, the Participation Agreement, the Assignment, the Lease, or the Lease Assignment, all dated as of the date hereof, on its part to be kept and performed or to make provision satisfactory to the Vendor for such compliance; or

(c) a petition for reorganization under Section 77 of the Bankruptcy Act, as now constituted or as said Section 77 may be hereafter amended, shall be filed by or against the Lessee and, unless such petition shall

have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under the Lease and the Consent shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees appointed (whether or not subject to ratification) in such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees, within 30 days after such appointment, if any, or 60 days after such petition shall have been filed, whichever shall be earlier; or

(d) any other proceeding shall be commenced by or against the Vendee, the Beneficiary or the Lessee for any relief which includes, or might result in, any modification of the obligations of the Vendee hereunder or the Beneficiary under the Trust Agreement or of the Lessee under the Lease and the Consent under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustment of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustment of such obligations), and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Vendee, the Beneficiary or the Lessee, as the case may be, thereunder shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed (whether or not subject to ratification) for the Vendee, the Beneficiary or the Lessee, as the case may be, or for their respective property in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees or receiver or receivers, within 30 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier; or

(e) the Vendee shall make or permit any unauthorized assignment or transfer of this Agreement or any interest herein or any unauthorized transfer of the

right to possession of any unit of the Equipment and the Vendee shall, for more than 30 days after demand in writing by the Vendor, fail to secure a reassignment or retransfer to the Vendee of such Agreement, interest or right; or

(f) an Event of Default shall have occurred under the Lease; provided, however, that an Event of Default under the Lease shall not be deemed to be an event of default hereunder if such default under the Lease causing such Event of Default thereunder is cured by the Vendee's remedying such default prior to the expiration of five business days after the date of the occurrence of such Event of Default under the Lease and provided, further, that a default in the payment of rental under the Lease will not be deemed for the purpose of this clause to be an Event of Default hereunder if the Vendee shall not be in default under the provisions of clause (a) of this Article 15.

then at any time after the occurrence of such an event of default the Vendor may, upon written notice to the Vendee and the Lessee and upon compliance with any legal requirements then in force and applicable to such action by the Vendor, (i) cause the Lease immediately upon such notice to terminate (and the Vendee acknowledges the right of the Vendor to terminate the Lease), but without affecting the indemnities which by the provisions of the Lease survive its termination and/or (ii) declare (hereinafter called a Declaration of Default) the entire unpaid Conditional Sale Indebtedness, together with the interest thereon then accrued and unpaid, immediately due and payable, without further demand, and thereafter the aggregate of the unpaid balance of such indebtedness and interest shall bear interest from the date of such Declaration of Default at the rate per annum specified in Article 4 hereof as being applicable to amounts remaining unpaid after becoming due and payable, to the extent legally enforceable. Upon a Declaration of Default, subject to Article 4 hereof, the Vendor shall be entitled to recover judgment for the entire unpaid balance of the Conditional Sale Indebtedness so payable, with interest as aforesaid, and to collect such judgment out of any property of the Vendee, subject to the provisions of Articles 4 and 21 hereof, wherever situated. The Vendee shall promptly notify the Vendor of any event which has come to its attention which constitutes, or with the giving of notice and/or lapse of time would constitute, an event of default under this Agreement.

The Vendor may, at its election, waive any such event of default and its consequences and rescind and annul any Declaration of Default or notice of termination of the Lease by notice to the Vendee and the Lessee in writing to that effect, and thereupon the respective rights of the parties shall be as they would have been if no such event of default had occurred and no Declaration of Default or notice of termination of the Lease had been made or given. Notwithstanding the provisions of this paragraph, it is expressly understood and agreed by the Vendee that time is of the essence of this Agreement and that no such waiver, rescission or annulment shall extend to or affect any other or subsequent default or impair any rights or remedies consequent thereon.

ARTICLE 16. Remedies. At any time during the continuance of a Declaration of Default, the Vendor may, and upon such further notice, if any, as may be required for compliance with any mandatory legal requirements then in force and applicable to the action to be taken by the Vendor, take or cause to be taken, by its agent or agents, immediate possession of the Equipment, or one or more of the units thereof, without liability to return to the Vendee any sums theretofore paid and free from all claims whatsoever, except as hereinafter in this Article 16 expressly provided, and may remove the same from possession and use of the Vendee or any other person and for such purpose may enter upon the premises of the Vendee or any other premises where the Equipment may be located and may use and employ in connection with such removal any supplies, services and aids and any available trackage and other facilities or means of the Vendee, subject to all mandatory requirements of due process of law.

In case the Vendor shall demand possession of the Equipment pursuant to this Agreement and shall reasonably designate a point or points upon the premises of the Lessee for the delivery of the Equipment to the Vendor, the Vendee shall, at its own expense, forthwith and in the usual manner (including, but not by way of limitation, giving prompt telegraphic and written notice to the Association of American Railroads and all railroads to which any part of the Equipment has been interchanged to return the Equipment so interchanged), cause (a) the Equipment to be moved to such point or points on the lines of the Lessee as shall be designated by the Vendor and shall there deliver the Equipment or cause it to be delivered to the Vendor, (b) the Equipment to be

moved to such interchange point or points of the Lessee as shall be designated by the Vendor upon any sale, lease or other disposal of all or any part of the Equipment by the Vendor and (c) if the Vendor shall so request, the Equipment to be detached from each unit of railroad rolling stock to which it has been attached. At the option of the Vendor, the Vendor may keep the Equipment on any of the lines or premises of the Lessee until the Vendor shall have leased, sold or otherwise disposed of the same, and for such purchase the Lessee has agreed in the Lease to furnish, without charge for rent or storage, the necessary facilities at any point or points selected by the Vendor reasonably convenient to the Lessee and, at the Lessee's risk, to permit inspection of the Equipment by the Vendor, the Vendor's representatives and prospective purchasers and users; provided, however, that the Lessee and the Lessor have agreed in the Lease that if such storage of units of Equipment shall exceed a term of 365 days after delivery of the last unit of Equipment, the storage thereafter shall be at the expense and risk of the Lessor. This agreement to deliver the Equipment and furnish facilities as hereinbefore provided is of the essence of the agreement between the parties, and, upon application to any court of equity having jurisdiction in the premises, the Vendor shall be entitled to a decree against the Lessee requiring specific performance hereof. The Lessee hereby expressly waives any and all claims against the Vendor and its agent or agents for damages of whatever nature in connection with any retaking of any unit of the Equipment in any reasonable manner.

At any time during the continuance of a Declaration of Default, the Vendor (after retaking possession of the Equipment as hereinbefore in this Article 16 provided) may, at its election and upon such notice as is hereinafter set forth, retain the Equipment in satisfaction of the entire Conditional Sale Indebtedness and make such disposition thereof as the Vendor shall deem fit. Written notice of the Vendor's election to retain the Equipment shall be given to the Vendee and the Lessee by telegram or registered mail, addressed as provided in Article 20 hereof, and to any other persons to whom the law may require notice, within 30 days after such Declaration of Default. In the event that the Vendor shall elect to retain the Equipment and no objection is sent thereto within the 30-day period described in the second proviso below, all the Vendee's rights in the Equipment shall thereupon terminate and all payments made by the Vendee or for its account may be retained by the Vendor as

compensation for the use of the Equipment; provided, however, that if the Vendee, before the expiration of the 30-day period described in the proviso below, should pay or cause to be paid to the Vendor the total unpaid balance of the Conditional Sale Indebtedness, together with interest thereon accrued and unpaid and all other payments due under this Agreement, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee; provided, further, that if the Vendee, the Lessee or any other persons notified under the terms of this paragraph object in writing to the Vendor within 30 days from the receipt of notice of the Vendor's election to retain the Equipment, then the Vendor may not so retain the Equipment, but shall sell, lease or otherwise dispose of it or continue to hold it pending sale, lease or other disposition as hereinafter provided or as may otherwise be permitted by law. If the Vendor shall not have given notice to retain as hereinabove provided or notice of intention to dispose of the Equipment in any other manner, it shall be deemed to have elected to sell the Equipment in accordance with the provisions of this Article 16.

At any time during the continuance of a Declaration of Default, the Vendor, with or without retaking possession thereof, at its election and upon reasonable notice to the Vendee, the Lessee and any other persons to whom the law may require notice of the time and place, may sell the Equipment, or one or more of the units thereof, free from any and all claims of the Vendee, the Lessee or any other party claiming from, through or under the Vendee or the Lessee, at law or in equity, at public or private sale and with or without advertisement as the Vendor may determine; provided, however, that if, prior to such sale and prior to the making of a contract for such sale, the Vendee should tender full payment of the total unpaid balance of the Conditional Sale Indebtedness, together with interest thereon accrued and unpaid and all other payments due under this Agreement as well as expenses of the Vendor in retaking possession of, removing, storing, holding and preparing the Equipment for, and otherwise arranging for, the sale and the Vendor's reasonable attorneys' fees, then upon receipt of such payment, expenses and fees by the Vendor, absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee. The proceeds of such sale or other disposition, less the attorneys' fees and any other expenses incurred by the Vendor in retaking possession of, removing, storing, holding, preparing for sale and selling or

and otherwise arranging for, the sale and the Vendor's reasonable attorneys' fees, then upon receipt of such payment, expenses and fees by the Vendor, absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee. The proceeds of such sale or other disposition, less the attorneys' fees and any other expenses incurred by the Vendor in retaking possession of, removing, storing, holding, preparing for sale and selling or otherwise disposing of the Equipment, shall be credited on the amount due to the Vendor under the provisions of this Agreement.

Any sale hereunder may be held or conducted at New York, New York, at such time or times as the Vendor may specify (unless the Vendor shall specify a different place or places, in which case the sale shall be held at such place or places as the Vendor may specify), in one lot and as an entirety or in separate lots and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner as the Vendor may determine, so long as such sale shall be in a commercially reasonable manner. The Vendor, the Vendee or the Lessee may bid for and become the purchaser of the Equipment, or any unit thereof, so offered for sale. The Vendee and the Lessee shall be given written notice of any proposed sale or the making of a contract for such sale not less than 10 days prior thereto, by telegram or registered mail addressed as provided in Article 20 hereof. If such sale shall be a private sale (which shall be deemed to mean only a sale where an advertisement for bids has not been published in a newspaper of general circulation or a sale where less than 40 offerees have been solicited in writing to submit bids), it shall be subject to the rights of the Lessee and the Vendee to purchase or provide a purchaser, within 15 days after notice of the proposed sale price, at the same price offered by the intending purchaser or a better price. In the event that the Vendor shall be the purchaser of the Equipment, it shall not be accountable to the Vendee or the Lessee (except to the extent of surplus money received as hereinafter provided in this Article 16), and in payment of the purchase price therefor the Vendor shall be entitled to have credited on account thereof all or any part of sums due to the Vendor hereunder.

Each and every power and remedy hereby specifically given to the Vendor shall be in addition to every other power and remedy hereby specifically given or now or

hereafter existing at law or in equity, and each and every power and remedy may be exercised from time to time and simultaneously and as often and in such order as may be deemed expedient by the Vendor. All such powers and remedies shall be cumulative, and the exercise of one shall not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Vendor in the exercise of any such power or remedy and no renewal or extension of any payments due hereunder shall impair any such power or remedy or shall be construed to be a waiver of any default or an acquiescence therein. Any extension of time for payment hereunder or other indulgence duly granted to the Vendee or the Lessee shall not otherwise alter or affect the Vendor's rights or the Vendee's obligations hereunder. The Vendor's acceptance of any payment after it shall have become due hereunder shall not be deemed to alter or affect the Vendee's obligations or the Vendor's rights hereunder with respect to any subsequent payments or default therein.

If, after applying all sums of money realized by the Vendor under the remedies herein provided, there shall remain any amount due to it under the provisions of this Agreement, the Vendee shall, subject to the provisions of the last paragraph of Article 4 hereof, pay the amount of such deficiency to the Vendor upon demand, together with interest thereon from the date of such demand to the date of payment at the rate per annum specified in Article 4 hereof as being applicable to amounts remaining unpaid after becoming due and payable, and, if the Vendee shall fail to pay such deficiency, the Vendor may bring suit therefor and shall, subject to the limitations of the last paragraph of Article 4 hereof, be entitled to recover a judgment therefor against the Vendee. If, after applying as aforesaid all sums realized by the Vendor, there shall remain a surplus in the possession of the Vendor, such surplus shall be paid to the Vendee.

The Vendee will pay all reasonable expenses, including attorneys' fees, incurred by the Vendor in enforcing its remedies under the terms of this Agreement, subject to the provisions of the last paragraph of Article 4 hereof. In the event that the Vendor shall bring any suit to enforce any of its rights hereunder and shall be entitled to judgment, then in such suit the Vendor may recover reasonable expenses, including reasonable attorneys' fees, and the amount thereof shall be included in such judgment.

The foregoing provisions of this Article 16 are subject in all respects to all mandatory legal requirements at the time in force and applicable thereto.

ARTICLE 17. Applicable State Laws. Any provision of this Agreement prohibited by any applicable law or of any jurisdiction (which is not overridden by applicable federal law) shall as to such jurisdiction be ineffective, without modifying the remaining provisions of this Agreement. Where, however, the conflicting provisions of any such applicable law may be waived, they are hereby waived by the Vendee to the full extent permitted by law, it being the intention of the parties hereto that this Agreement shall be deemed to be a conditional sale and enforced as such.

Except as otherwise provided in this Agreement, the Vendee, to the full extent permitted by law, hereby waives all statutory or other legal requirements for any notice of any kind, notice of intention to take possession of or to sell or lease the Equipment, or any one or more units thereof, and any other requirements as to the time, place and terms of the sale or lease thereof, any other requirements with respect to the enforcement of the Vendor's rights under this Agreement and any and all rights of redemption.

ARTICLE 18. Recording. The Vendee will cause this Agreement, any assignments hereof and any amendments or supplements hereto or thereto to be filed and recorded in accordance with Section 20c of the Interstate Commerce Act. The Vendee will further cause all necessary filings and recordings, and, when required, refilings and rerecordings of this Agreement, any assignments hereof, and the Lease Assignment and any amendments or supplements hereto or thereto and/or appropriate financing statements or continuation statements to be made, and from time to time when required refiled and rerecorded, in accordance with the applicable provisions of the Uniform Commercial Code of the States of Illinois, Virginia and Florida (and, if the Vendee changes its chief place of business to a different state, in any such other state) and in any other State of the United States of America or the District of Columbia where filing is reasonably requested by the Vendor for the purpose of proper protection, to the satisfaction of counsel for the Vendor, of its security interest in the Equipment and its rights under this Agreement or for the purpose of carrying out the intention of this Agreement. The Vendee will from time to time do and perform

any other act and will execute, acknowledge, deliver, file, register, deposit and record any and all further instruments required by law or reasonably requested by the Vendor.

The Vendee will promptly furnish to the Vendor certificates or other evidence satisfactory to the Vendor of such filing, registering, depositing and recording.

ARTICLE 19. Article Headings; Effect and Modification of Agreement. All article headings are inserted for convenience only and shall not affect any construction or interpretation of this Agreement.

Except for the Participation Agreement, this Agreement, including the Annexes hereto, exclusively and completely states the rights of the Vendor and the Vendee with respect to the Equipment and supersedes all other agreements, oral or written, with respect to the Equipment. No variation or modification of this Agreement and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized representatives of the Vendor and the Vendee.

ARTICLE 20. Notice. Any notice hereunder to any of the parties designated below shall be deemed to be properly served if delivered or mailed to it by first class mail, postage prepaid, at the following addresses

(a) to the Vendee, at 800 Davis Street, Evanston, Illinois 60204, Attention of Corporate Trust Department,

(b) to the Lessee, at 3600 West Broad Street, Richmond, Virginia 23230, Attention of Leonard G. Anderson, Vice President and Treasurer,

(c) to the Builder, at the address specified in Item 1 of Annex A hereto,

(d) to the Beneficiary, at 230 Hamm Building, St. Paul, Minnesota 55102, Attention of Steven Rickmeier, Vice President,

(e) to any assignee of the Vendor, or of the Vendee, at such address as may have been furnished in writing to the Vendee, or the Vendor, as the case may be, and to the Lessee, by such assignee,

or at such other address as may have been furnished in writing by such party to the other parties to this Agreement. Any such notice shall be deemed to be effective three days after its deposit.

ARTICLE 21. Immunities; Satisfaction of Undertakings. No recourse shall be had in respect of any obligation due under this Agreement, or referred to herein, against any incorporator, stockholder, director or officer, as such, past, present or future, of the parties hereto or the Beneficiary, whether by virtue of any constitutional provision, statute or rule of law, or by enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitutional provision, statute or otherwise, of such incorporators, stockholders, directors or officers, as such, being forever released as a condition of and as consideration for the execution of this Agreement.

The obligations of the Vendee under the second paragraph of Article 16 and under Articles 3, 6, 7 (other than the second and third sentences of the second paragraph thereof), 8, 9, 10, 12 (other than the proviso to the third paragraph thereof), 13 and 18 hereof shall be deemed in all respects satisfied by the Lessee's execution and delivery of the Lease. The Lessee shall be liable for such obligations under said Articles regardless of whether or not the Lease provides for the discharge of such obligations or is in effect. The Vendee shall not have any responsibility for the Lessee's failure to perform such obligations, but if the same shall not be performed they shall constitute the basis for an event of default hereunder pursuant to Article 15 hereof. No waiver or amendment of the Lessee's undertakings under the Lease shall be effective unless joined in by the Vendor.

It is expressly understood and agreed by and between the parties hereto, anything herein to the contrary notwithstanding, that each and all of the representations, undertakings and agreements herein made on the part of the Vendee are each and every one of them made and intended not as personal representations, undertakings and agreements by First National Bank and Trust Company of Evanston, or for the purpose or with the intention of binding the said bank or the Beneficiary personally but are made and intended for the purpose of binding only the Trust Estate as such term is used

in the Trust Agreement, and this Agreement is executed and delivered by the said bank solely in the exercise of the powers expressly conferred upon the said bank as trustee under the Trust Agreement; and that no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against the said bank or the Beneficiary on account of any representation, undertaking or agreement of said bank acting in its capacity as Vendee or of the Beneficiary, either expressed or implied, all such personal liability, if any, being expressly waived and released by the Vendor and by all persons claiming by, through or under the Vendor; provided, however, that the Vendor or any person claiming by, through or under the Vendor, making claim hereunder, may look to said Trust Estate for satisfaction of the same.

ARTICLE 22. Law Governing. The Vendee warrants that its chief place of business is located in the state specified in clause (a) of Article 20 hereof. The terms of this Agreement and all rights and obligations hereunder shall be governed by the laws of such state, except for the indemnities and warranties set forth in Article 13 hereof and Item 23 of Annex A hereto, which shall be governed by the laws of the State of Michigan; provided, however, that the parties shall be entitled to all rights arising out of the filing, recording or deposit hereof and of any assignment hereof as shall be conferred by the laws of the several jurisdictions in which this Agreement or any assignment hereof shall be filed, recorded or deposited.

ARTICLE 23. Execution. This Agreement may be executed in any number of counterparts, such counterparts together constituting but one and the same contract, but the counterpart marked Original Counterpart delivered to the Assignee pursuant to the Assignment shall be deemed the original and all other counterparts shall be deemed duplicates thereof. Although for convenience this Agreement is dated as of the date first above written, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

IN WITNESS WHEREOF, the parties hereto have executed or caused this instrument to be executed all as of the date first above written.

To Conditional Sale Agreement

[CS&M Ref.: 2043-818]

LEASE OF EQUIPMENT

Dated as of March 15, 1978

between

SEABOARD COAST LINE RAILROAD COMPANY

and

FIRST NATIONAL BANK AND TRUST COMPANY
OF EVANSTON, not in its individual
capacity but solely as Trustee under
a Trust Agreement dated as of the date
hereof with ITT Industrial Credit Company.

LEASE OF EQUIPMENT dated as of March 15, 1978, between SEABOARD CCAST LINE RAILROAD COMPANY, a Virginia corporation (hereinafter called the Lessee), and FIRST NATIONAL BANK AND TRUST COMPANY OF EVANSTON, a national banking association, acting not in its individual capacity but solely as Trustee under the Trust Agreement dated as of the date hereof (hereinafter called the Trust Agreement) with ITT Industrial Credit Company, as beneficial owner (said bank being hereinafter called the Lessor and said owner being hereinafter called the Beneficiary).

WHEREAS the Lessor is entering into a Conditional Sale Agreement dated as of the date hereof with Whitehead & Kales Company, a Michigan corporation (hereinafter called the Builder) (such agreement being hereinafter called the Security Documentation), wherein the Builder has agreed to manufacture, sell and deliver to the Lessor the units of railroad equipment described in Schedule A hereto (hereinafter called the Equipment);

WHEREAS the Builder is assigning its interests in the Security Documentation to Mercantile-Safe Deposit and Trust Company, a Maryland banking corporation, acting as agent (hereinafter, together with its successors and assigns, called the Vendor) under a Participation Agreement dated as of the date hereof (hereinafter called the Participation Agreement) with the Lessee, the Lessor, the Beneficiary and the parties named in Schedule A thereto;

WHEREAS the Lessee desires to lease such number of units of the Equipment as are delivered and accepted and settled for under the Security Documentation (hereinafter called the Units) at the rentals and for the terms and upon the conditions hereinafter provided; and

WHEREAS the Lessor will assign this Lease for security to the Vendor pursuant to an Assignment of Lease and Agreement (hereinafter called the Lease Assignment) and the Lessee will consent to the Lease Assignment pursuant to a Lessee's Consent and Agreement (hereinafter called the Consent);

NOW, THEREFORE, in consideration of the premises and of the rentals to be paid and the covenants hereinafter mentioned to be kept and performed by the Lessee, the Lessor hereby leases the Units to the Lessee upon the following terms and conditions:

§ 1. Net Lease. This Lease is a net lease and the Lessee shall not be entitled to any abatement of rent, reduction thereof or setoff against rent, including, but not limited to, abatements, reductions or setoffs due or alleged to be due by reason of any past, present or future claims of the Lessee against the Lessor under this Lease or under the Security Documentation, or against the Builder or the Vendor or otherwise; nor, except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in or damage to or loss of possession or loss of use or destruction of all or any of the Units from whatsoever cause, any liens, encumbrances or rights of others with respect to any of the Units, the prohibition of or other restriction against the Lessee's use of all or any of the Units, the interference with such use by any person or entity, the invalidity or unenforceability or lack of due authorization of this Lease, any insolvency of or any bankruptcy, reorganization or similar proceeding against the Lessee, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease. To the extent permitted by applicable law, the Lessee hereby waives any and all rights which it may now have or which at any time hereafter may be conferred upon it, by statute or otherwise, to terminate, cancel, quit or surrender the lease of any of the Units except in accordance with the express terms hereof. Each rental or other payment made by the Lessee hereunder shall be final and the Lessee shall not seek to recover all or any part of such payment from the Lessor for any reason whatsoever.

§ 2. Delivery and Acceptance of Units. The Lessor hereby appoints the Lessee its agent for inspection and acceptance of the Units pursuant to the Security Documentation. The Lessor will cause each Unit to be delivered to the Lessee at the point or points within the United States

of America at which such Unit is delivered to the Lessor under the Security Documentation. Upon such delivery, the Lessee will cause an employee of the Lessee to inspect the same, and if such Unit is found to be acceptable, to accept delivery of such Unit and the Lessee shall execute and deliver to the Lessor a certificate of acceptance (hereinafter called the Certificate of Acceptance) in accordance with the provisions of Article 3 of the Security Documentation, stating that such Unit has been inspected and accepted on behalf of the Lessee and the Lessor on the date of such Certificate of Acceptance and is marked in accordance with § 5 hereof, whereupon, except as provided in the next sentence hereof, such Unit shall be deemed to have been delivered to and accepted by the Lessee and shall be subject thereafter to all the terms and conditions of this Lease. The delivery, inspection and acceptance hereunder of any unit of Equipment excluded from the Security Documentation pursuant to the first paragraph of Article 4 thereof shall be null and void and ineffective to subject such unit to this Lease.

§ 3. Rentals. The Lessee agrees to pay to the Lessor, as rental for each Unit subject to this Lease, one interim rental payment on July 1, 1978, and 20 consecutive semiannual payments payable on January 1 and July 1 of each year, commencing on July 1, 1978. The interim rental payable on July 1, 1978, shall be in an amount equal to .014735% of the Purchase Price (as defined in the Security Documentation) of each Unit then subject to this Lease from the Closing Date (as defined in the Security Documentation) for that Unit for each day to, but not including, July 1, 1978. The 20 semiannual rental payments for each Unit subject to this Lease shall each be in an amount equal to 5.591514% of the Purchase Price of such Unit. In addition, as additional rental hereunder, the Lessee agrees to pay to the Lessor on the Cut-Off Date (as defined in the Participation Agreement) and on July 1, 1978, an amount equal to the amount required to be paid by the Lessor on each such date pursuant to the last paragraph of Paragraph 9 of the Participation Agreement.

If any of the rental payment dates referred to above is not a business day the rental payment otherwise payable on such date shall be payable on the next business day. The term "business day" as used herein means a calendar day, excluding Saturdays, Sundays and any other day on which banking institutions in Baltimore, Maryland, New York, New York, Richmond, Virginia, or Chicago, Illinois, are authorized or obligated to remain closed.

Unless the Lease Assignment is not executed and delivered, the Lessor irrevocably instructs the Lessee to

make all the payments provided for in this Lease, other than the payments provided for in §§ 6 (except indemnification payments owing to the Vendor pursuant to Articles 6 and 13 of the Security Documentation) and 9 hereof, but including without limitation the payments provided for in this § 3 and in § 7 hereof, at the principal office of the Vendor until the Vendor shall have been paid the full indebtedness in respect of the Purchase Price of the Equipment (as defined in the Security Documentation), together with interest and all other payments required by the Security Documentation, for the account of the Lessor in care of the Vendor, with instructions to the Vendor (subject to the provisions of the Consent) first, to apply such payments to satisfy the obligations of the Lessor under the Security Documentation, and second, so long as no event of default or event which with the lapse of time and/or demand provided for in the Security Documentation could constitute an event of default under the Security Documentation shall have occurred and be continuing, to pay any balance promptly to the Lessor at such place as the Lessor shall specify in writing.

§ 4. Term of Lease. The term of this Lease as to each Unit shall begin on the date of delivery and acceptance of such Unit hereunder and, subject to the provisions of §§ 7 and 10 hereof, shall terminate six months following the last rental payment in respect of such Unit. The obligations of the Lessee hereunder (including, but not limited to, the obligations under §§ 6, 7, 9 and 13 hereof) shall survive the expiration of the term of this Lease.

Notwithstanding anything to the contrary contained herein, all rights and obligations of the Lessee under this Lease and in and to the Units are subject to the rights of the Vendor under the Security Documentation. If an event of default should occur under the Security Documentation, the Vendor may terminate this Lease (or rescind its termination), all as provided therein.

§ 5. Marking of the Units. The Lessee will cause each Unit to be kept numbered with its identifying number as set forth in Schedule A hereto, or in the case of Equipment not there listed such identifying number as shall be set forth in any amendment or supplement hereto extending this Lease to cover such Equipment and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of each unit, in letters not less than one inch in height, the words "Leased from First National Bank and Trust Company of Evanston, as Trustee, and Ownership Subject

to a Security Interest under the Uniform Commercial Code", or other appropriate words designated by the Vendor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the Lessor's ownership and the Vendor's security interest in such Unit and the rights of the Lessor under this Lease and the rights of the Vendor under the Security Documentation. The Lessee will not place any such Unit in operation or exercise any control or dominion over the same until such markings have been made thereon and will replace promptly any such markings which may be removed, defaced or destroyed. The Lessee will not change the number of any Unit except in accordance with a statement of new number or numbers to be substituted therefor, which statement previously shall have been filed with the Lessor and the Vendor by the Lessee and filed, recorded and deposited by the Lessee in all public offices where this Lease and the Security Documentation shall have been filed, recorded and deposited.

Except as provided in the immediately preceding paragraph, the Lessee will not allow the name of any person, association or corporation to be placed on any Unit of the Equipment as a designation that might be interpreted as a claim of ownership; provided, however, that the Lessee may cause the Units to be lettered with the names or initials or other insignia of the Lessee or its affiliates.

§ 6. Taxes. All payments to be made by the Lessee hereunder will be free of expense to the Lessor and the Beneficiary for collection or other charges and will be free of expense to the Lessor and the Beneficiary with respect to the amount of any local, state, Federal, or foreign taxes (other than gross receipt taxes [except gross receipt taxes in the nature of or in lieu of sales or use or rental taxes or license fees], taxes measured by Lessor's net income, Lessor's value added taxes, excess profits taxes and similar taxes or general corporation, franchise or like taxes measured by Lessor's capital, capital stock or net worth) or license fees, assessments, charges, fines or penalties hereafter levied or imposed upon or in connection with or measured by this Lease or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof or the Security Documentation (all such expenses, taxes, license fees, assessments, charges, fines and penalties being hereinafter called impositions), all of which

impositions the Lessee assumes and agrees to pay on demand in addition to the payments to be made by it provided for herein. The Lessee will also pay promptly all impositions which may be imposed upon any Unit or for the use or operation thereof (except as provided above) or upon the earnings arising therefrom (except as provided above) or upon the Lessor solely by reason of its ownership thereof (except as provided above) and will keep at all times all and every part of such Unit free and clear of all impositions which might in any way affect the title of the Lessor or the security interest of the Vendor or the interest of the Beneficiary or result in a lien upon any such Unit; provided, however, that the Lessee shall be under no obligation to pay any impositions of any kind so long as it is contesting in good faith and by appropriate legal or administrative proceedings such impositions and the nonpayment thereof is permitted by law and does not, in the reasonable opinion of the Lessor, adversely affect the title, property, rights or interest of the Lessor or the Beneficiary hereunder or the Vendor under the Security Documentation. The Lessee agrees to give the Lessor notice promptly of such contest after institution thereof and the Lessor agrees to provide such information as may be reasonably requested by the Lessee in furtherance of such contest. If any impositions shall have been charged or levied against the Lessor directly and paid by the Lessor, the Lessee shall reimburse the Lessor on presentation of an invoice therefor; provided, however, that if time permits the Lessor shall have given the Lessee written notice of such imposition prior to such payment.

In the event that the Lessor shall become obligated to make any payment pursuant to Article 6 of the Security Documentation to the Builder or the Vendor or otherwise pursuant to any correlative provision of the Security Documentation or the Beneficiary shall become obligated to make payment to the Lessor pursuant to any similar provision with respect to taxes in the Trust Agreement not covered by the foregoing paragraph of this § 6, the Lessee shall pay such additional amounts (which shall also be deemed impositions hereunder) to the Lessor as will enable the Lessor or the Beneficiary to fulfill completely its obligations pursuant to said provision.

In the event any returns, statements or reports with respect to impositions are required to be made, the

Lessee will make such returns, statements and reports in such manner as to show the interest of the Lessor, the Beneficiary and the Vendor in such Units.

In the event that, during the continuance of this Lease, the Lessee becomes liable for the payment or reimbursement of any imposition, pursuant to this § 6, such liability shall continue, notwithstanding the expiration of this Lease, until all such impositions are paid or reimbursed by the Lessee.

To the extent the Lessee may be prohibited by law from performing in its own name the duties required by this § 6, the Lessor hereby authorizes the Lessee to act in the Lessor's name and on the Lessor's behalf; provided, however, that the Lessee shall indemnify and hold the Lessor harmless from and against any and all claims, costs, expenses, damages, losses and liabilities incurred in connection therewith as a result of, or incident to, any action by the Lessee pursuant to this authorization.

The Lessee shall, whenever reasonably requested by the Lessor, submit to the Lessor copies of returns, statements, reports, billings and remittances, or furnish other evidence satisfactory to the Lessor of the Lessee's performance of its duties under this § 6. The Lessee shall also furnish promptly upon request such data as the Lessor or the Beneficiary, as the case may be, reasonably may require to permit the Lessor's or the Beneficiary's compliance with the requirements of taxing jurisdictions.

§ 7. Maintenance; Casualty Occurrences; Insurance. The Lessee agrees that, at its own cost and expense, it will maintain and keep each Unit which is subject to this Lease in good operating order, repair and condition and, without limiting the foregoing, in such condition that will allow the Units to be used in interchange, reasonable wear and tear excepted.

In the event that any Unit shall be or become worn out beyond repair, lost, stolen, destroyed, or irreparably damaged, from any cause whatsoever, or taken or requisitioned by condemnation or requisitioned for use or otherwise, except requisition for use by the United States Government for a stated period not in excess of the then remaining term of this Lease (such occurrences being hereinafter called Casualty Occurrences), prior to the return of such Unit in the manner set forth in § 13 hereof, the Lessee shall promptly and fully

notify the Lessor and the Vendor in writing signed by an officer of the Lessee to the effect that such Unit shall have suffered a Casualty Occurrence as such term is defined in this Lease. On the rental payment date for such Unit next succeeding such Casualty Occurrence the Lessee shall pay to the Lessor an amount equal to the rental payment or payments, if any, in respect of such Unit due and payable on such date plus a sum equal to the Casualty Value (as hereinafter defined) of such Unit determined as of such rental payment date in accordance with the schedule referred to below. As of the date on which the Casualty Value is due, the rental for such Unit shall cease to accrue, the term of this Lease as to such Unit shall terminate and (except in the case of the loss, theft, complete destruction or return to the Builder of such Unit) the Lessor shall be entitled to recover possession of such Unit. Any Casualty Value not paid when due shall accrue interest as provided in § 15 hereof. The Lessor hereby appoints the Lessee its agent to dispose of any Unit suffering a Casualty Occurrence or any component thereof, at the best price obtainable on an "as is, where is" basis. Provided that the Lessee has previously paid the Casualty Value to the Lessor, the Lessee shall, subject to the rights of any insurer, be entitled to the net proceeds of such sale to the extent they do not exceed the Casualty Value of such Unit, and shall pay any excess to the Lessor.

The Casualty Value of each Unit as of the payment date on which payment is to be made as aforesaid shall be that percentage of the Purchase Price of such Unit as is set forth in Schedule B hereto opposite such payment number.

Whenever any Unit shall suffer a Casualty Occurrence after termination of this Lease and before such Unit shall have been returned in the manner provided in § 13 hereof, the Lessee shall promptly, but not later than 30 days after its knowledge thereof, fully notify the Lessor with respect thereto and pay to the Lessor an amount equal to the Casualty Value of such Unit. Upon the making of any such payment by the Lessee in respect of any Unit (except in the case of the loss, theft or complete destruction of such Unit), the Lessor shall be entitled to recover possession of such Unit, and the Lessee shall, subject to the rights of any insurer, be entitled to the net proceeds of any sale to the extent they do not exceed the Casualty Value of such Unit.

In the event of the requisition for use by the United States Government (hereinafter called the Government)

of any Unit during the term of this Lease not constituting a Casualty Occurrence all of the Lessee's obligations under this Lease with respect to such Unit shall continue to the same extent as if such requisition had not occurred, except that if such Unit is returned by the Government at any time after the end of the term of this Lease, the Lessee shall be obligated to return such Unit to the Lessor pursuant to § 11 or 13 hereof, as the case may be, promptly upon such return by the Government rather than at the end of the term of this Lease or any renewal thereof, but the Lessee shall in all other respects comply with the provisions of said § 11 or 13, as the case may be, with respect to such Unit. All payments received by the Lessor or the Lessee from the Government for the use of such Unit during the term of this Lease or any renewal thereof shall be paid over to, or retained by, the Lessee provided no Event of Default (or other event which after notice or lapse of time or both would become an Event of Default) shall have occurred and be continuing; and all payments received by the Lessor or the Lessee from the Government for the use of such Unit after the term of this Lease, shall be paid over to, or retained by, the Lessor.

Except as hereinabove in this § 7 provided, the Lessee shall not be released from its obligations hereunder in the event of, and shall bear the risk of, any Casualty Occurrence to any Unit from and after delivery and acceptance thereof by the Lessee hereunder.

The Lessee will, at all times while this Lease is in effect, at its own expense, cause to be carried and maintained property insurance in respect of the Units at the time subject hereto, and public liability insurance, including contractual liability, in amounts, upon terms and conditions, and against risks comparable in amounts, upon terms and conditions, and against risks customarily insured against by railroad companies in respect of similar equipment and in any event in amounts, upon terms and conditions, and against risks insured against by the Lessee in respect of similar equipment owned by it. If the Lessor shall receive any insurance proceeds or condemnation payments in respect of a Unit suffering a Casualty Occurrence, the Lessor shall, subject to the Lessee having made payment of the Casualty Value in respect of such Unit, pay such proceeds or condemnation payments to the Lessee up to an amount equal to the Casualty Value with respect to a Unit paid by the Lessee and any balance of such proceeds or condemnation payments shall remain the property of the Lessor. All insurance proceeds received by the Lessor in respect of any Unit not suffering

a Casualty Occurrence shall be paid to the Lessee upon proof satisfactory to the Lessor that any damage to such Unit in respect of which such proceeds were paid has been fully repaired. Neither the Lessor nor the Beneficiary nor the Vendor need be designated as named insured in any such policy or policies unless the Lessee designates any other party as an additional named insured in such policy or policies, in which case the Lessee shall then name the Lessor, the Beneficiary and the Vendor as additional named insureds in such policy or policies. Lessee (i) will cause to be furnished to the Lessor and the Beneficiary on or prior to the first date of delivery of any Unit hereunder and annually thereafter its certificate stating the amounts, terms and conditions, and risks insured against with respect to the aforementioned insurance, and whether such insurance complies with the provisions of this § 7 and (ii) will give the Lessor and the Beneficiary timely written notice of any cancelation or material adverse change in coverage of such insurance.

§ 8. Reports. On or before March 31 in each year, commencing with the calendar year 1979, the Lessee will furnish to the Lessor and the Vendor an accurate statement (a) setting forth as at the preceding December 31 the amount, description and numbers of all Units then leased hereunder, as to each Unit, the description and numbers of the railroad equipment to which such Unit is attached and the amount, description and numbers of all Units that have suffered a Casualty Occurrence during the preceding calendar year (or since the date of this Agreement in the case of the first such statement) or are then undergoing repairs (other than running repairs) or then withdrawn from use pending such repairs (other than running repairs) and such other information regarding the condition and state of repair of the Units as the Lessor or the Vendor may reasonably request and (b) stating that, in the case of all Units repainted or repaired during the period covered by such statement, the numbers and markings required by § 5 hereof and by the Security Documentation have been preserved or replaced. The Lessor, at its sole cost and expense, shall have the right by its agents, to inspect the Units and the Lessee's records from which the statement referred to in clause (a) of this § 8 is prepared and records relating to the location of the Units at such reasonable times as the Lessor may request during the continuance of this Lease.

§ 9. Disclaimer of Warranties; Compliance with Laws and Rules; Indemnification. THE LESSEE ACKNOWLEDGES AND AGREES (1) THAT EACH UNIT IS OF A SIZE, DESIGN, CAPACITY AND MANUFACTURE SELECTED BY THE LESSEE, (2) THAT THE LESSEE

IS SATISFIED THAT THE SAME IS SUITABLE FOR ITS PURPOSES, (3) THAT THE LESSOR IS NOT A MANUFACTURER OR INSTALLER THEREOF, NOR A DEALER IN PROPERTY OF SUCH KIND, (4) THAT THE LESSOR MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE DESIGN OR CONDITION OF, OR AS TO THE QUALITY OF THE MATERIAL, EQUIPMENT OR WORKMANSHIP IN, THE UNITS DELIVERED TO THE LESSEE HEREUNDER, AND (5) THAT THE LESSOR MAKES NO WARRANTY OF MERCHANTABILITY OR FITNESS OF THE UNITS FOR ANY PARTICULAR PURPOSE OR AS TO TITLE TO THE UNITS OR ANY COMPONENT THEREOF, OR ANY OTHER REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO ANY UNIT, EITHER UPON DELIVERY THEREOF TO THE LESSEE OR OTHERWISE, it being agreed that all such risks, as between the Lessor and the Lessee, are to be borne by the Lessee; but the Lessor hereby irrevocably appoints and constitutes the Lessee its agent and attorney-in-fact during the term of this Lease to assert and enforce from time to time, in the name of and for the account of the Lessor and/or the Lessee, as their interests may appear, at the Lessee's sole cost and expense, whatever claims and rights the Lessor may have against the Builder under the provisions of Item 2 of Annex A and the patent infringement and title indemnification provisions of Article 13 of the Security Documentation; provided, however, that if at any time an Event of Default shall have occurred and be continuing, the Lessor may assert and enforce, at the Lessee's sole cost and expense, such claims and rights. The Lessor shall have no responsibility or liability to the Lessee or any other person with respect to any of the following: (i) any liability (including, without limitation, strict liability in tort or otherwise), for loss or damage caused or alleged to be caused directly or indirectly by any Unit or by any inadequacy thereof or deficiency or defect therein or by any other circumstances in connection therewith; (ii) the use, operation or performance of any Unit or any risks relating thereto; (iii) any interruption of service, loss of business or anticipated profits or consequential damages; or (iv) the delivery, operation, servicing, maintenance, repair, improvement or replacement of any Unit. The Lessee's delivery of a Certificate of Acceptance shall be conclusive evidence as between the Lessee and the Lessor that the Units described therein are in all the foregoing respects satisfactory to the Lessee, and the Lessee will not assert any claim of any nature whatsoever against the Lessor based on any of the foregoing matters.

The Lessee agrees, for the benefit of the Lessor and the Vendor, to comply in all respects (including without

limitation, with respect to the use, maintenance and operation of each Unit) with all applicable laws of the jurisdictions in which its operations involving the Units may extend and with all lawful rules of the United States Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Units, to the extent that such laws and rules affect the title, operation or use of the Units, and in the event that, prior to the expiration of this Lease or any renewal thereof, such laws or rules require any alteration, replacement or addition of or to any part on any Unit, the Lessee will conform therewith at its own expense and the Lessor will have title thereto; provided, however, that the Lessee may at its own expense, in good faith with due diligence by appropriate proceedings, contest the validity or application of any such law or rule in any reasonable manner which does not, in the reasonable opinion of the Lessor or the Vendor, adversely affect the property or rights of the Lessor or the Vendor under this Lease or under the Security Documentation. The Lessee, at its own cost and expense, may furnish other additions, modifications and improvements to the Units during the term of this Lease provided that such additions, modifications and improvements are readily removable without causing material damage to the Units. The additions, modifications and improvements made by the Lessee under the preceding sentence shall be owned by the Lessee and shall be removed by it upon the return of the Units pursuant to §§ 11 and 13 hereof.

The Lessee assumes the risk of and agrees to indemnify, protect and hold harmless the Lessor, the Beneficiary and the Vendor from and against all losses, damages, injuries, liabilities, claims (including without limitation claims for strict liability in tort or otherwise) and demands whatsoever, regardless of the cause thereof, and expenses in connection therewith, including, but not limited to, counsel fees and expenses, patent liabilities, penalties and interest, arising out of or as the result of the entering into or the performance of this Lease or the occurrence of a default, an event of default or an Event of Default under the Security Documentation, the Participation Agreement, this Lease, or any sublease entered into pursuant to § 12 hereunder, the ownership of any Unit, the ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any Unit or any accident in connection with the operation, use, condition, possession, storage or return

of any Unit resulting in damage to property or injury or death to any person, except as otherwise provided in § 13 of this Lease, or the transfer of title to or its security interest in the Equipment by the Vendor pursuant to any provision of the Security Documentation. The indemnities arising under this paragraph shall continue in full force and effect notwithstanding the full payment of all obligations under this Lease or the expiration or termination of the term of this Lease. The indemnities arising under this § 9 shall not be deemed to operate as a guaranty of the principal of or interest on the Conditional Sale Indebtedness under the Security Documentation.

The Lessee agrees to prepare and deliver to the Lessor within a reasonable time prior to the required date of filing (or, to the extent permissible, file on behalf of the Lessor) any and all reports (other than tax returns) to be filed by the Lessor with any federal, state or other regulatory authority by reason of the ownership by the Lessor of the Units, the security interest of the Vendor in the Units, or the leasing thereof to the Lessee.

§ 10. Default. If, during the continuance of this Lease, one or more of the following events (each such event being herein sometimes called an Event of Default) shall occur:

A. Default shall be made in payment of any amount provided for in §§ 3 or 7 hereof, and such default shall continue for five days;

B. The Lessee shall make or permit any unauthorized assignment or transfer of this Lease, or any interest herein, or of the right to possession of the Units, or any thereof;

C. Default shall be made in the observance or performance of any other of the covenants, conditions and agreements on the part of the Lessee contained herein, in the Consent, or in the Participation Agreement, and such default shall continue for 30 days after written notice from the Lessor or the Vendor is received by the Lessee specifying the default and demanding that the same be remedied or if the representations of the Lessee contained in the Participation Agreement shall have been materially incorrect when made;

D. A petition for reorganization under Section 77 of the Bankruptcy Act, as now constituted or as said Section 77 may hereafter be amended, shall be filed by or against the Lessee and, unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Lease or under the Consent shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees appointed (whether or not subject to ratification) in such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees, within 30 days after such appointment, if any, or 60 days after such petition shall have been filed, whichever shall be earlier; or

E. Any other proceedings shall be commenced by or against the Lessee for any relief which includes, or might result in, any modification of the obligations of the Lessee hereunder or under the Consent, under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustments of the obligations of the Lessee hereunder or under the Consent), and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Lease and under the Consent shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed (whether or not subject to ratification) for the Lessee or for the property of the Lessee in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such a trustee or trustees or receiver or receivers, within 30 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier;

F. An event of default set forth in Article 15 of the Security Documentation shall have occurred arising out of any default by the Lessee, in performing any of its obligations hereunder or under the Consent;

then, in any such case, the Lessor, at its option, may:

(a) proceed by appropriate court action or actions either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof including net after-tax losses of Federal and state income tax benefits to which the Lessor would otherwise be entitled under this Lease; or

(b) by notice in writing to the Lessee terminate this Lease, whereupon all rights of the Lessee to the use of the Units so terminated shall absolutely cease and terminate as though this Lease had never been made, but the Lessee shall remain liable as hereinafter provided; and thereupon the Lessor may by its agents enter upon the premises of the Lessee or other premises where any of the Units so terminated may be without breach of a peace and take possession of all or any of such Units and thenceforth hold, possess, sell, operate, lease to others and enjoy the same free from any right of the Lessee, or its successors or assigns, to use the Units for any purposes whatever; but the Lessor shall, nevertheless, have a right to recover from the Lessee any and all amounts which under the terms of this Lease may be then due or which may have accrued to the date of such termination (computing the rental for any number of days less than a full rental period by multiplying the rental for such full rental period by a fraction of which the numerator is such number of days and the denominator is the total number of days in such full rental period) and also to recover forthwith from the Lessee as damages for loss of the bargain and not as a penalty whichever of the following amounts which the Lessor, in its sole discretion, shall specify (x) a sum, with respect to each Unit, which represents (A) the excess of the present value, at the time of such termination, of the entire unpaid balance of all rental for such Unit which would otherwise have accrued hereunder from the date of such termination to the end of the term of this Lease as to such Unit over the then present value of the rentals

which the Lessor reasonably estimates to be obtainable for the Unit during such period, such present value to be computed in each case on the basis of a 6% per annum discount, compounded semiannually from the respective dates upon which rentals would have been payable hereunder had this Lease not been terminated, plus (B) any damages and expenses, including reasonable attorneys' fees, in addition thereto which the Lessor shall have sustained by reason of the breach of the covenant, representation or warranty of this Lease other than for the payment of rental, plus (C) an amount computed in accordance with Paragraph 12 of the Participation Agreement, or (y) an amount equal to the excess, if any, of the Casualty Value as of the March 15 or September 15 on or next preceding the date of termination over the net proceeds of the sale of the Equipment if sold, or, if not sold at such time, the amount the Lessor reasonably estimates to be the sales value of such Unit at such time.

In addition, the Lessee shall be liable, except as otherwise provided above, for any and all unpaid amounts due hereunder before, during or after the exercise of any of the foregoing remedies and for all reasonable attorneys' fees and other costs and expenses incurred by reason of the occurrence of any Event of Default or the exercise of the Lessor's remedies with respect thereto, including all costs and expenses incurred in connection with the return of any Unit.

The remedies in this Lease provided in favor of the Lessor shall not be deemed exclusive, but shall be cumulative and may be exercised concurrently or consecutively, and shall be in addition to all other remedies in its favor existing at law or in equity. The Lessee hereby waives any mandatory requirements of law, now or hereafter in effect, which might limit or modify the remedies herein provided, to the extent that such waiver is not, at the time in question, prohibited by law. The Lessee hereby waives any and all existing or future claims to any offset against the rental payments or other payments due hereunder, and agrees to make such payments regardless of any offset or claim which may be asserted by the Lessee or on its behalf.

Except as otherwise provided in this Lease and the Security Documentation, the Lessee, to the full extent permitted by law, hereby waives all statutory or other legal

requirements for any notice of any kind, notice of intention to take possession of or to sell or lease the Equipment, or any one or more Units thereof, and any other requirements as to the time, place and terms of the sale or lease thereof, any other requirements with respect to the enforcement of the Vendor's rights under this Lease and the Security Documentation and any and all rights of redemption.

The failure of the Lessor to exercise the rights granted it hereunder upon the occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or recurrence of any such contingencies or similar contingencies.

§ 11. Return of Units Upon Default. If this Lease shall terminate pursuant to § 10 hereof, the Lessee shall forthwith deliver possession of the Units to the Lessor. Each Unit so delivered shall be in the same operating order, repair and condition as when originally delivered to the Lessee, reasonable wear and tear excepted. For the purpose of delivering possession of any Unit or Units to the Lessor as above required, the Lessee shall at its own cost, expense and risk, forthwith and in the usual manner (including, but not by way of limitation, giving prompt telegraphic and written notice to the Association of American Railroads and all railroads to which any rolling stock to which any Units are attached have been interchanged to return such rolling stock so interchanged), cause (a) the Units to be moved to such point or points on its lines as shall be designated by the Lessor and shall there deliver the Units or cause them to be delivered to the Lessor, (b) the Units to be moved to such interchange point or points of the Lessee as shall be designated by the Lessor upon any sale, lease or other disposal of all or any part of the Units by the Lessor and (c) if requested by the Lessor, the Units to be detached from each unit of railroad rolling stock to which it has been attached. At the option of the Lessor, the Lessor may keep the Units on any of the lines or premises of the Lessee until the Lessor shall have leased, sold or otherwise disposed of the same, and for such purpose the Lessee agrees to furnish, without charge for rent or storage, the necessary facilities at any point or points selected by the Lessor reasonably convenient to the Lessee and, at the Lessee's risk, to permit inspection of the Units by the Lessor, the Lessor's representatives and prospective purchasers and users. During any storage period, the Lessee will, at its own cost and

expense, maintain and keep the Equipment in good order and repair. This agreement to detach and deliver the Units and furnish facilities as hereinbefore provided is of the essence of the agreement between the parties, and, upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance hereof. The Lessee hereby expressly waives any and all claims against the Lessor and its agent or agents for damages of whatever nature in connection with any retaking of any Units in any reasonable manner. All gross amounts earned in respect of the Units after the date of termination of this Lease shall belong to the Lessor and, if received by the Lessee, shall be promptly turned over to the Lessor. In the event any Unit is not detached, delivered and stored, as hereinabove provided, within 60 days after such termination, the Lessee shall, in addition, pay to the Lessor for each day thereafter an amount equal to the amount, if any, by which .031064% of the Purchase Price of such Unit for each such day exceeds the actual earnings received by the Lessor on such Unit for each such day.

The Lessor and the Lessee agree that if storage of the Units by the Lessee shall exceed a term of 365 days after delivery to the Lessor of the last Unit, the storage thereafter shall be at the expense and risk of the Lessor.

Without in any way limiting the obligation of the Lessee under the foregoing provisions of this § 11, the Lessee hereby irrevocably appoints the Lessor as the agent and attorney of the Lessee, with full power and authority, at any time while the Lessee is obligated to deliver possession of any Unit to the Lessor, to demand and take possession of such Unit in the name and on behalf of the Lessee from whomsoever shall be in possession of such Unit at the time.

§ 12. Assignment; Possession and Use. This Lease shall be assignable in whole or in part by the Lessor without the consent of the Lessee, but the Lessee shall be under no obligation to any assignee of the Lessor except upon written notice of such assignment from the Lessor. All the rights of the Lessor hereunder shall inure to the benefit of the Lessor's assigns (including the Vendor).

So long as the Lessee shall not be in default under this Lease and no event of default shall exist under the Security Documentation, the Lessee shall be entitled to

the possession and use of the Units in accordance with the terms of this Lease but, without the prior written consent of the Lessor and the Vendor, the Lessee shall not assign or transfer its leasehold interest under this Lease in the Units or any of them. The Lessee, at its own expense, will promptly pay or discharge any and all sums claimed by any party which, if unpaid, might become a lien, charge or security interest (other than an encumbrance created by the Lessor or the Vendor or resulting from claims against the Lessor or the Vendor not related to the ownership of the Units) upon or with respect to any Unit, including any accession thereto or the interest of the Lessor, the Vendor or the Lessee therein, and will promptly discharge any such lien, charge or security interest which arises, but shall not be required to pay or discharge any such claim so long as the validity thereof shall be contested in good faith and by appropriate legal or administrative proceedings in any reasonable manner and the nonpayment thereof does not, in the reasonable opinion of the Lessor and of the Vendor, adversely affect the title of the Lessor or the security interest of the Vendor in or to the Units or otherwise under this Lease or the Security Documentation. Any amounts paid by the Lessor or the Vendor in discharge of such liens, charges or security interests upon the Units shall be secured by and under this Lease.

This covenant will not be deemed breached by reason of liens for taxes, assessments or governmental charges or levies, in each case not due and delinquent, or undetermined or inchoate materialmen's, mechanics', workmen's, repairmen's or other like liens arising in the ordinary course of business and, in each case, not delinquent.

The Lessee shall not, without the prior written consent of the Lessor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Units, except to the extent permitted by the provisions of the immediately succeeding paragraph.

So long as the Lessee shall not be in default under this Lease and no event of default shall exist under the Security Documentation, the Lessee shall be entitled to the possession of the Units and to the use of the Units by it or any affiliate upon lines of railroad owned or operated by it or any such affiliate or upon lines of railroad over which the Lessee or any such affiliate has trackage or other operating rights or over which railroad equipment of the Lessee or any such affiliate is regularly operated pursuant to contract, and also to permit the use of the Units upon

connecting and other carriers in the usual interchange of traffic or pursuant to run-through agreements, but only upon and subject to all the terms and conditions of this Lease and the Security Documentation; provided, however, that the Lessee shall not assign or permit the assignment of any Unit to service involving the regular operation and maintenance thereof outside the United States of America. The Lessee may receive and retain compensation for such use from other railroads so using any of the Units.

Nothing in this § 12 shall be deemed to restrict the right of the Lessee to assign or transfer its interest under this Lease in the Units or possession of the Units to any railroad corporation incorporated under the laws of any state of the United States of America or the District of Columbia (which shall have duly assumed the obligations of the Lessee hereunder and under the Participation Agreement and the Consent) into or with which the Lessee shall have become merged or consolidated or which shall have acquired the property of the Lessee as an entirety or substantially as an entirety, provided that such assignee or transferee will not, upon the effectiveness of such merger, consolidation or acquisition, be in default under any provision of this Lease.

§ 13. Return of Units upon Expiration of Term.

The Lessor intends to retain the Units for re-lease at the expiration of the term of this Lease. As soon as practicable on or after the expiration of the original term of this Lease with respect to any Unit, the Lessee will, at its own cost and expense, deliver possession of such Unit to the Lessor at such point or points on its lines as the Lessor may designate, or, in the absence of such designation, as the Lessee may select, and permit the Lessor to store such Unit at such point or points on the Lessee's lines where storage facilities are available as it may select, in facilities furnished by the Lessee for a period not exceeding 90 days after the delivery of the last Unit to the Lessor and transport the same, at any time within such 90-day period, to any reasonable place on the lines of railroads operated by the Lessee, or to any connecting carrier for shipment, all as directed by the Lessor, the movement and storage of such Units to be at the expense and risk of the Lessee without charge to the Lessor for insurance. During any such storage period the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser, lessee or user of such Unit, to inspect the same. Each Unit

returned to the Lessor pursuant to this § 13 shall (i) be in the same operating order, repair and condition as when originally delivered to the Lessee, reasonable wear and tear excepted, (ii) meet the standards then in effect under any applicable rules of any governmental agency or other organization with jurisdiction and (iii) if requested by the Lessor, the Units to be detached from each unit of railroad rolling stock to which it has been attached. The delivery, storage and transporting of the Units as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to deliver, store and transport the Units. All gross amounts earned in respect of the Units after the date of termination of this Lease shall belong to the Lessor and, if received by the Lessee, shall be promptly turned over to the Lessor. In the event any Unit is not delivered and stored, as hereinabove provided, the Lessee shall, in addition, pay to the Lessor for each day thereafter an amount equal to the amount, if any, by which .031064% of the Purchase Price of such Unit for each such day exceeds the actual earnings received by the Lessor on such Unit for each such day.

§ 14. Recording. The Lessee, at its own expense, will cause this Lease, the Lease Assignment, the Security Documentation and any assignment thereof to be filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act. The Lessee, at its own expense, will further cause this Lease and/or appropriate financing statements or continuation statements to be filed and recorded, and from time to time when required refiled and rerecorded, in accordance with the applicable provisions of the Uniform Commercial Code of the States of Illinois, Virginia and Florida (and, if the Lessee changes its chief place of business to a different state, in any such other state) and in any other State of the United States of America or the District of Columbia where filing is reasonably requested by the Lessor for the purpose of proper protection, to the satisfaction of counsel for the Lessor, of its interests and rights under this Agreement or for the purpose of carrying out the intention of this Agreement. The Lessee will (at its own expense) undertake the filing, registering, deposit and reporting required of the Lessor under the Security Documentation and will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, record (and will refile, reregister,

deposit and redeposit or rerecord whenever required) any and all further instruments required by law or reasonably requested by the Lessor or the Vendor for the purpose of proper protection, to their satisfaction, of the Vendor's and the Lessor's respective interests in the Units, or for the purpose of carrying out the intention of this Lease, the Security Documentation, any assignment thereof and the Lease Assignment; and the Lessee will promptly furnish to the Vendor and the Lessor evidence of all such filing, registering, depositing or recording, and an opinion or opinions of counsel for the Lessee with respect thereto satisfactory to the Vendor and the Lessor. This Lease and the Security Documentation shall be filed and recorded with the Interstate Commerce Commission and under the Uniform Commercial Code of the State of Illinois prior to the delivery and acceptance hereunder of any Unit.

§ 15. Interest on Overdue Rentals. Anything to the contrary herein contained notwithstanding, any nonpayment of rentals and other obligations due hereunder, including without limitation §§ 3, 6, 7, 9 and 10 hereof, shall result in the obligation on the part of the Lessee promptly to pay, to the extent legally enforceable, an amount equal to 9-7/8% per annum of the overdue rentals and other obligations for the period of time during which they are overdue or such lesser amount as may be legally enforceable.

§ 16. Right of First Refusal and Renewal Option.
(a) Provided that this Lease has not been earlier terminated and no Event of Default shall have occurred and be continuing hereunder, in the event the Lessee shall not have exercised any available renewal option provided for herein and the Lessor elects to sell any Units to third parties at the expiration of the original or any extended term of this Lease, the Lessee shall be given written notice of such intention prior to the expiration of such term. In the event that the Lessor shall receive, prior to removal of the Units at the end of such term of the Lease, a bona fide offer in writing from another party unrelated to the Lessee to purchase the Units and the Lessor elects to sell the Units pursuant to such offer at the expiration of such term of this Lease, the Lessor shall give written notice to the Lessee of such offer. Such notice shall include the price and the terms and conditions of payment offered by the other party and shall be accompanied by a copy of the bona fide offer in writing made by such other party to the Lessor. The Lessee shall have the sole right and option to purchase

the Units for cash at the price at which the Units are proposed to be sold or under the other terms and conditions of payment offered by the other party, as hereinafter provided. Within 10 business days of receipt of notice from the Lessor, the Lessee shall exercise such purchase right by delivery to the Lessor of a written notice specifying a day of purchase, which date shall not be later than 30 days after the date of delivery of such notice by the Lessee to the Lessor. In the event that the Lessee shall have delivered a notice of its election to purchase the Units, this Lease (including the obligation to pay rent) shall be further extended upon the same terms and conditions set forth herein from the date such notice is delivered to the Lessor until the date of such purchase.

(b) Provided that this Lease has not been earlier terminated and no Event of Default shall have occurred and be continuing, the Lessee shall have the right on the date of the expiration of the original term to renew this Lease with respect to all, but not less than all, of the Units then covered by this Lease for a renewal term of one or more years as shall be specified in the notice from the Lessee to the Lessor pursuant to the last sentence of this paragraph. All the provisions of this Lease shall be applicable during such renewal term except that the rental during such renewal term shall be the Fair Market Rental Value of the Units (as defined in the succeeding paragraphs of this § 16) as of the end of the original term. The Lessee shall give to the Lessor written notice 180 days prior to the end of the original term of its election to exercise the renewal option provided for in this subsection.

The term Fair Market Rental Value means the value which would obtain in an arm's-length transaction between an informed and willing buyer-user or lessee (other than a lessee currently in possession or a used equipment or scrap dealer) and an informed and willing seller or lessor under no compulsion to sell, and in making such determination, cost of removal from the location of current use shall not be a deduction from such value.

If the Lessor and the Lessee are unable to determine the Fair Market Rental Value of the Units by mutual agreement within 60 days after the Lessee's notice pursuant to the second preceding paragraph of this subsection, the Lessee may request that such value be determined by a qualified independent Appraiser. The term Appraiser shall mean such indepen-

dent appraiser as the Lessor and the Lessee may mutually agree upon, or failing such agreement, a panel of three independent appraisers, one of whom shall be selected by the Lessor, the second by the Lessee and the third designated by the first two so selected. The Appraiser shall be instructed to make such determination within a period of 30 days following appointment, and shall promptly communicate such determination in writing to the Lessor and the Lessee. The determination so made shall be conclusively binding upon both Lessor and Lessee. All costs and expenses of the Appraiser appointed pursuant to this Section shall be borne by the Lessee.

§ 17. Notices. Any notice required or permitted to be given by either party hereto to the other shall be deemed to have been given when mailed, first class, postage prepaid, addressed as follows:

(a) if to the Lessor, at 800 Davis Street, Evanston, Illinois 60204, attention of Corporate Trust Department, with a copy to the Beneficiary at its address set forth in the Trust Agreement; and

(b) if to the Lessee, at 3600 West Broad Street, Richmond, Virginia, 23230, attention of Leonard G. Anderson, Vice President and Treasurer;

or addressed to either party at such other address as such party shall hereafter furnish to the other party in writing.

§ 18. Severability; Effect and Modification of Lease. Any provision of this Lease which is prohibited or unenforceable in any jurisdiction, shall be, as to such jurisdiction, ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Except for the Participation Agreement, this Lease exclusively and completely states the rights of the Lessor and the Lessee with respect to the leasing of the Units and, except for the Participation Agreement, supercedes all other agreements, oral or written, with respect thereto. No variation or modification of this Lease and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized signatories for the Lessor and the Lessee.

§ 19. No Recourse. It is expressly understood and agreed by and between the parties hereto, anything herein to the contrary notwithstanding, that each and all of the representations, undertakings and agreements herein made on the part of the Lessor are each and every one of them made and intended not as personal representations, undertakings and agreements of First National Bank and Trust Company of Evanston, acting in its capacity as Trustee, or for the purpose or with the intention of binding said bank personally or the Beneficiary, but are made and intended for the purpose of binding only the Trust Estate as such term is used in the Trust Agreement, and this Lease is executed and delivered by the said bank solely in the exercise of the powers expressly conferred upon the said bank as trustee under said Trust Agreement; and that no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against said bank or the Beneficiary or on account of any representation, undertaking or agreement of said bank as Lessor or of the Beneficiary, either expressed or implied, all such personal liability, if any, being expressly waived and released by the Lessee and by all persons claiming by, through or under the Lessee.

§ 20. Agreements for Benefit of Beneficiary. All rights of the Lessor hereunder (including, but not limited to, its rights under §§ 6, 7, 9 and 10 and the right to receive the rentals payable under this Lease) shall inure to the benefit of the Beneficiary and any of the Beneficiary's assigns under the Trust Agreement.

§ 21. Execution. This Lease may be executed in several counterparts, such counterparts together constituting but one and the same instrument, but a counterpart hereof marked "Original" shall be delivered to the Vendor pursuant to the Lease Assignment and shall be deemed to be the original and all other counterparts shall be marked "Duplicate" and shall be deemed duplicates thereof. Although for convenience this Lease is dated as of the date first set forth above, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

§ 22. Law Governing. The terms of this Lease and all rights and obligations hereunder shall be governed by the laws of the Commonwealth of Virginia.

§ 23. Obligations of Lessor Under Security Documentation; Additional Rentals. In the event that the Lessor

shall become obligated to make any payment (other than payments for Equipment pursuant to paragraphs 3 and 4 of Article 4 of the Security Documentation) or to perform any obligations pursuant to the Security Documentation not covered by the provisions of this Lease, the Lessee shall pay such additional rentals hereunder and perform such obligations so that all of the Lessor's obligations (other than as aforesaid) pursuant to the Security Documentation shall be fully complied with, without regard for any limitation of liability of the Lessor contained in the Security Documentation. This Section is not to be construed as a guaranty of the Conditional Sale Indebtedness.

§ 24. Lessor's Right to Perform for the Lessee.

If the Lessee fails to perform or comply with any of its agreements contained herein, the Lessor may upon notice to the Lessee itself perform or comply with such agreement, and the amount of the reasonable cost and expenses of the Lessor incurred in connection with such performance or compliance, together with interest on such amount at the rate of 9-7/8% per annum, shall be payable by the Lessee upon demand.

§ 25. Immunities, Satisfaction of Undertakings.

No recourse shall be had in respect of any obligation due under this Lease, or referred to herein, against any incorporator, stockholder, director or officer, as such, past, present or future, of the parties hereto, whether by virtue of any constitutional provision, statute or rule of law, or by enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitutional provision, statute or otherwise, of such incorporators, stockholders, directors or officers, as such, being forever released as a condition of and as consideration for the execution of this Lease.

IN WITNESS WHEREOF, the parties hereto have executed or caused this instrument to be executed as of the date first above written.

Sale Agreement
[CS&M Ref.: 2043-818]

ASSIGNMENT OF LEASE AND AGREEMENT dated as of March 15, 1978 (hereinafter called this Assignment), by and between FIRST NATIONAL BANK AND TRUST COMPANY OF EVANSTON, acting not in its individual capacity but solely as Trustee (hereinafter called the Lessor or the Vendee) under a Trust Agreement dated as of the date hereof (hereinafter called the Trust Agreement) with ITT Industrial Credit Company, as beneficial owner (hereinafter called the Beneficiary), and MERCANTILE-SAFE DEPOSIT AND TRUST COMPANY, acting not in its individual capacity but solely as Agent (hereinafter called the Vendor) under a Participation Agreement dated as of the date hereof (hereinafter called the Participation Agreement) with the Lessor, the Beneficiary, the Lessee as hereinafter defined, and the Parties named in Schedule A thereto (hereinafter called the Investors).

WHEREAS the Vendee is entering into a Conditional Sale Agreement dated as of the date hereof (hereinafter called the Security Documentation), with Whitehead & Kales Company (hereinafter called the Builder) providing for the sale to the Vendee of such units of railroad equipment (hereinafter called the Units) described in the Annex B thereto as are delivered to and accepted by the Vendee thereunder;

WHEREAS the Lessor and Seaboard Coast Line Railroad Company (hereinafter called the Lessee) have entered into a Lease of Equipment dated as of the date hereof (hereinafter called the Lease), providing for the leasing by the Lessor to the Lessee of the Units; and

WHEREAS, in order to provide security for the obligations of the Lessor under the Security Documentation and as an inducement to the Vendor to invest in the Conditional Sale Indebtedness (as that term is defined in the Security Documentation), the Lessor agrees to assign for security purposes its rights in, to and under the Lease to the Vendor;

NOW, THEREFORE, in consideration of the premises and of the payments to be made and the covenants hereinafter mentioned to be kept and performed, the parties hereto agree as follows:

1. The Lessor hereby assigns, transfers and sets over unto the Vendor, as collateral security for the payment and performance of the obligations of the Lessor as Vendee under the Security Documentation, all the Lessor's right, title and interest, powers, privileges, and other benefits under the Lease, including, without limitation, the immediate right to receive and collect all rentals, profits and other sums payable to or receivable by the Lessor from the Lessee under or pursuant to the provisions of the Lease whether as rent, casualty payment, indemnity, liquidated damages, or otherwise (such moneys being hereinafter called the Payments), and the right to make all waivers and agreements, to give all notices, consents and releases, to take all action upon the happening of an Event of Default specified in the Lease, and to do any and all other things whatsoever which the Lessor is or may become entitled to do under the Lease. In furtherance of the foregoing assignment, the Lessor hereby irrevocably authorizes and empowers the Vendor in its own name, or in the name of its nominee, or in the name of the Lessor or as its attorney, to ask, demand, sue for, collect and receive any and all sums to which the Lessor is or may become entitled under the Lease, and to enforce compliance by the Lessee with all the terms and provisions thereof. Notwithstanding the foregoing, the Payments shall not be deemed to include either before or after an Event of Default shall have occurred and be continuing under the Lease (y) payments by the Lessee to the Lessor pursuant to §§ 6 and 9 of the Lease (except indemnification payments owing to the Vendor pursuant to Articles 6 and 13 of the Security Documentation and except to the extent that the Vendee is obligated to reimburse the Vendor for expenses under Paragraph 6 of this Agreement) and (z) payments made by the Lessee to the Vendee or the Beneficiary pursuant to Paragraph 12 or the last paragraph of Paragraph 9 of the Participation Agreement dated as of the date hereof (hereinafter called the Participation Agreement) among the Lessee, the Vendee and the Beneficiary.

The Vendor agrees to accept any Payments made by the Lessee for the account of the Lessor pursuant to the Lease, subject to the provisions of the Lessee's Consent and Agreement attached hereto (hereinafter called the Consent)

permitting certain payments to be made directly to the Vendor. To the extent received, the Vendor will promptly apply such Payments to satisfy the obligations of the Lessor under the Security Documentation then due and payable, and, so long as no event of default or event which with the lapse of time and/or demand provided for in the Security Documentation could constitute an event of default thereunder shall have occurred and be continuing, any balance shall be paid to the Lessor on the same date such Payment is applied to satisfy such obligations of the Lessor (or to such other party as may be specified by the Lessor), by bank wire to the Lessor at such address as may be specified to the Vendor in writing, and such balance shall be retained by the Lessor. If the Vendor shall not receive any rental payment under the first paragraph of § 3 of the Lease payable to it as provided in the Consent when due, the Vendor shall notify the Lessor at the address set forth in the Lease; provided, however, that the failure of the Vendor to so notify the Lessor shall not affect the obligations of the Lessor hereunder or under the Security Documentation. The Lessor will furnish to the Vendor and the Lessee a schedule, with such changes as may be appropriate from time to time, setting forth the amounts due the Vendor under the Security Documentation and the Lessor under the Lease on each date for the payment thereof.

2. This Assignment is executed only as security and, therefore, the execution and delivery of this Assignment shall not subject the Vendor to, or transfer, or pass, or in any way affect or modify the liability of the Lessor under the Lease, it being understood and agreed that notwithstanding this Assignment or any subsequent assignment, all obligations of the Lessor to the Lessee shall be and remain enforceable by the Lessee, its successors and assigns, against, and only against, the Lessor or persons other than the Vendor.

3. The Lessor will faithfully abide by, perform and discharge each and every obligation, covenant and agreement which the Lease provides are to be performed by the Lessor; without the written consent of the Vendor, the Lessor will not anticipate the rents under the Lease or waive, excuse, condone, forgive or in any manner release or discharge the Lessee thereunder of or from the obligations, covenants, conditions and agreements to be performed by the Lessee, including, without limitation, the obligation to pay the rents in the manner and at the time and place specified therein or enter into any agreement

amending, modifying or terminating the Lease and the Lessor agrees that any amendment, modification or termination thereof without such consent shall be void.

4. The Lessor does hereby constitute the Vendor the Lessor's true and lawful attorney, irrevocably, with full power (in the name of the Lessor, or otherwise), to ask, require, demand, receive, compound and give acquittance for any and all Payments due and to become due under or arising out of the Lease to which the Lessor is or may become entitled, to enforce compliance by the Lessee with all the terms and provisions of the Lease, to endorse any checks or other instruments or orders in connection therewith and to file any claims or take any action or institute any proceedings which the Vendor may deem to be necessary or advisable in the premises.

5. Upon the full discharge and satisfaction of all the Lessor's obligations under the Security Documentation, this Assignment and all rights herein assigned to the Vendor shall terminate, and all estate, right, title and interest of the Vendor in and to the Lease shall revert to the Lessor. However, the Vendor, if so requested by the Lessor at that time and at the sole expense of the Lessor, will (a) execute an instrument releasing its entire estate, right, title and interest in the Lease and transferring such estate, right, title and interest to the Lessor and (b) execute, acknowledge and deliver any and all further instruments required by law or reasonably requested by the Lessor in order to confirm or further assure the interest in the Lease which shall have reverted or been so transferred to the Lessor.

6. The Lessor will pay and discharge any and all claims, liens, charges or security interests (other than created by the Security Documentation) on the Lease or the rentals or other payments due or to become due thereunder claimed by any party from, through or under the Lessor, or its successors and assigns (other than the Vendor), not arising out of the transactions contemplated by the Security Documentation or the Lease (but including property tax liens, sales and use tax liens and any other tax liens arising out of the receipt of the income and proceeds from the Units) which, if unpaid, might become a claim, lien, charge or security interest on or with respect to the Lease or such rentals or other payments equal or superior to the Vendor's interest therein, unless the Lessor shall be contesting the same in good faith by appropriate proceedings

in any reasonable manner and the nonpayment thereof does not, in the opinion of the Vendor, adversely affect such interests of the Vendor.

7. The Lessor will, from time to time, execute, acknowledge and deliver any and all further instruments required by law or reasonably requested by the Vendor in order to confirm or further assure the security interest of the Vendor hereunder.

8. Subject to the provisions of Article 14 of the Security Documentation, the Vendor may assign all or any of the rights assigned to it hereby or arising under the Lease, including, without limitation, the right to receive any Payments due or to become due, but the Lessee shall be under no obligation to any subsequent or successive assignee except upon written notice of such assignment from the Vendor. In the event of any such assignment, any such subsequent or successive assignee or assignees shall, to the extent of such assignment, enjoy all the rights and privileges and be subject to all the obligations of the Vendor hereunder.

9. This Assignment shall be governed by the laws of the State of Illinois.

10. The Lessor shall cause copies of all notices received in connection with the Lease and all payments hereunder to be promptly delivered or made to the Vendor at its address set forth in Paragraph 13 of the Participation Agreement or at such other address as the Vendor shall designate.

11. The Vendor hereby agrees with the Lessor that the Vendor will not, unless an Event of Default under the Security Documentation (as defined therein) has occurred and is continuing, exercise or enforce, or seek to exercise or enforce, or avail itself of, any of the rights, powers, privileges, authorizations or benefits which are assigned and transferred by the Lessor to the Vendor by this Assignment, except the right to apply the Payments as provided in Paragraph 1 hereof.

12. It is understood and agreed that each and all of the representations, undertakings and agreements herein made on the part of the Lessor are each and every one of them made and intended not as personal representations, undertakings and agreements by First National Bank and Trust Company

of Evanston, acting in its capacity as Trustee, or for the purpose or with the intention of binding said bank or the Beneficiary personally but are made and intended for the purpose of binding only the Trust Estate as such term is used in the Trust Agreement and this Assignment is executed and delivered by the said bank solely in the exercise of the powers expressly conferred upon the said bank as trustee under said Trust Agreement, and that no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against said bank or the Beneficiary or on account of any representation, undertaking or agreement of the said bank as Lessor, either expressed or implied, all such personal liability, if any being expressly waived and released by the Builder, the bank acting in its capacity as the Vendor and by all persons claiming by, through or under the Vendor, provided, however, that the Vendor or any person claiming by through or under the Vendor, making claim hereunder, may look to said Trust Estate for satisfaction of the same. The Lessor agrees that it will not enter into any amendment or modification of the Trust Agreement except as provided in Article IX thereof.

13. Notwithstanding any other provision of this Assignment (including, but not limited to, any provision of the first paragraph of Paragraph 1 and Paragraph 3 hereof), the terms of this Assignment shall not limit or in any way affect the Lessor's right to receive and collect any Payments under the Lease in excess of the obligations of the Lessor under the Security Documentation, so long as there is no event of default under the Security Documentation. In addition, the Lessor agrees that, without the prior written consent of the Vendor, the Lessor may not take any action to terminate the Lease, the right to do so being reserved by the Vendor.

14. This Assignment may be executed in any number of counterparts, such counterparts together constituting but one and the same contract, but the counterpart marked Original delivered to the Vendor shall be deemed to be the original counterpart and all other counterparts shall be deemed to be duplicates thereof. Although for convenience this Assignment is dated as of the date first above written, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

IN WITNESS WHEREOF, the parties hereto have caused

this instrument to be executed, as of the date first above written.

AGREEMENT AND ASSIGNMENT

Dated as of March 15, 1978

between

WHITEHEAD & KALES COMPANY

and

MERCANTILE-SAFE DEPOSIT AND TRUST COMPANY,
not in its individual capacity but solely as Agent

AGREEMENT AND ASSIGNMENT dated as of March 15, 1978, between WHITEHEAD & KALES COMPANY (hereafter called the Builder) and MERCANTILE-SAFE DEPOSIT AND TRUST COMPANY, not in its individual capacity but solely as Agent (hereinafter called the Assignee).

WHEREAS the Builder and FIRST NATIONAL BANK AND TRUST COMPANY OF EVANSTON, as Trustee (hereinafter called the Vendee) under a Trust Agreement dated as of the date hereof with ITT Industrial Credit Company, as beneficial owner (hereinafter called the Beneficiary), have entered into a Conditional Sale Agreement dated as of the date hereof (hereinafter called the Conditional Sale Agreement) covering the construction, sale and delivery, on the conditions therein set forth, by the Builder and the purchase by the Vendee of the railroad equipment described in Annex B to the Conditional Sale Agreement (said equipment being hereinafter called the Equipment), the original counterpart of which has been delivered by the Builder to the Assignee; and

WHEREAS the Vendee and SEABOARD COAST LINE RAILROAD COMPANY (hereinafter called the Lessee) have entered into a Lease of Equipment dated as of the date hereof (hereinafter called the Lease) providing for the lease to the Lessee of the Equipment;

NOW, THEREFORE, THIS AGREEMENT AND ASSIGNMENT (hereinafter called this Assignment) WITNESSETH: that in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration paid by the Assignee to the Builder, the receipt of which is hereby acknowledged, as well as of the mutual covenants herein contained, the parties hereto agree as follows:

SECTION 1. The Builder hereby assigns, transfers and sets over unto the Assignee, its successors and assigns:

(a) all the right, title and interest of the Builder in and to each unit of the Equipment when and as severally delivered to and accepted by the Vendee, subject to payment by the Assignee to the Builder of the amount required to be paid pursuant to Section 4 hereof and subject to the payment by the Vendee pursuant to subparagraph (a) of the third paragraph of Article 4 of the Conditional Sale Agreement;

(b) all the right, title and interest of the Builder in and to the Conditional Sale Agreement (except the right to construct and deliver the Equipment and the right to receive the payments specified in subparagraph (a) of the third paragraph of Article 4 thereof and reimbursement for taxes paid or incurred by the Builder), and except as aforesaid in and to any and all amounts which may be or become due or owing to the Builder under the Conditional Sale Agreement on account of the indebtedness in respect of the Purchase Price (as defined in the Conditional Sale Agreement) of the Equipment and interest thereon, and in and to any other sums becoming due from the Vendee under the Conditional Sale Agreement, other than those hereinabove excluded; and

(c) except as limited by subparagraph (b) of this paragraph, all the Builder's rights, titles, powers, privileges and remedies under the Conditional Sale Agreement;

without any recourse hereunder, however, against the Builder for or on account of the failure of the Vendee to make any of the payments provided for in, or otherwise to comply with, any of the provisions of the Conditional Sale Agreement; provided, however, that this Assignment shall not subject the Assignee to, or transfer, or pass, or in any way affect or modify, the obligations of the Builder to construct and deliver the Equipment in accordance with the Conditional Sale Agreement or with respect to its warranties and agreements referred to in Article 13 of the Conditional Sale Agreement or relieve the Vendee from its obligations to the Builder contained in Articles 2, 3, 4, 6 and 13 of the Conditional Sale Agreement, it being understood and agreed that, notwithstanding this Agreement, or any subsequent assignment pursuant to the provisions of Article 14 of the Conditional Sale Agreement, all obligations of the Builder to the Vendee with respect to the Equipment shall be and remain enforceable by the Vendee, its successors and assigns, against and only against the Builder. In furtherance of the foregoing assignment and transfer, the Builder hereby authorizes and empowers the Assignee in the Assignee's own name, or in the name of the Assignee's nominee, or in the name of and as attorney, hereby irrevocably constituted, for the Builder, to ask, demand, sue for, collect, receive and enforce any and all sums to which the Assignee is or may become entitled under this Assignment and compliance by the Vendee with the terms and agreements on its part to be performed under the Conditional Sale Agreement, but at the expense and liability and for the sole benefit of the Assignee.

SECTION 2. The Builder agrees that it shall construct the Equipment in full accordance with the Conditional Sale Agreement and will deliver the same upon completion to the Vendee in accordance with the provisions of the Conditional Sale Agreement; and that, notwithstanding this Assignment, it will perform and fully comply with each of and all the covenants and conditions of the Conditional Sale Agreement set forth to be performed and complied with by the Builder. The Builder further agrees that it will warrant to the Assignee and the Vendee that at the time of delivery of each unit of the Equipment under the Conditional Sale Agreement it had legal title to such unit and good and lawful right to sell such unit and that such unit was free of all claims, liens, security interests and other encumbrances of any nature except only the rights of the Vendee under the Conditional Sale Agreement and the rights of the Lessee under the Lease; and the Builder further agrees that it will defend the title to such unit against the demands of all persons whomsoever based on claims originating prior to the delivery of such unit by the Builder under the Conditional Sale Agreement; all subject, however, to the provisions of the Conditional Sale Agreement and the rights of the Vendee thereunder. The Builder will not deliver any of the Equipment to the Vendee under the Conditional Sale Agreement (i) until the Conditional Sale Agreement and the Lease and related financing statements have been filed and recorded in accordance with the provisions of the Conditional Sale Agreement and the Lease, (ii) until the Builder shall have been notified in writing by or on behalf of the Assignee that the conditions contained in Paragraph 7 of the Participation Agreement dated as of the date hereof (hereinafter called the Participation Agreement) among the Assignee, the Lessee, the Beneficiary, the Vendee and the party named in Schedule A thereto have been met (the Builder and its counsel being entitled to rely on advice from special counsel for the Assignee that such filing and recordation have occurred and such conditions have been met), (iii) until the Builder shall have been notified in writing by the Vendee that the conditions contained in Paragraph 8 of the Participation Agreement have been met or (iv) if the Builder has been notified in writing by the Assignee or the Vendee of the commencement of any proceedings specified in clauses (c) or (d) of Article 15 of the Conditional Sale Agreement or of the occurrence of any event of default (as described in said Article 15) or event which, with the lapse of time and/or demand, could constitute such an event of default.

SECTION 3. The Builder agrees with the Assignee that in any suit, proceeding or action brought by the Assignee under the Conditional Sale Agreement for any instalment of, or interest on, indebtedness in respect of the Purchase Price of the Equipment or to enforce any provision of the Conditional Sale Agreement, the Builder will indemnify, protect and hold harmless the Assignee from and against all expenses, loss or damage suffered by reason of any defense, setoff, counterclaim or recoupment whatsoever claimed by the Vendee or the Lessee arising out of a breach by the Builder of any obligation with respect to the manufacture, construction, delivery or warranty of the Equipment, or by reason of any defense, setoff, counterclaim or recoupment whatsoever arising by reason of any other indebtedness or liability at any time owing to the Vendee or the Lessee by the Builder. The Builder's obligation so to indemnify, protect and hold harmless the Assignee is conditional upon (a) the Assignee's timely motion or other appropriate action, on the basis of Article 14 of the Conditional Sale Agreement, to strike any defense, setoff, counterclaim or recoupment asserted by the Vendee or the Lessee in any such suit, proceeding or action and (b) if the court or other body having jurisdiction in such suit, proceeding or action denies such motion or other action and accepts such defense, setoff, counterclaim or recoupment as a triable issue in such suit, proceeding or action, the Assignee's prompt notification to the Builder of the asserted defense, setoff, counterclaim or recoupment and the Assignee's giving the Builder the right, at the Builder's expense, to compromise, settle or defend against such defense, setoff, counterclaim or recoupment.

Except in cases of articles or materials specified by the Lessee and not manufactured by the Builder and in cases of design, processes, formulae or combinations specified by the Lessee and not developed or purported to be developed by the Builder, the Builder agrees, except as otherwise specifically provided in Article 13 of the Conditional Sale Agreement, to indemnify, protect and hold harmless the Assignee from and against any and all liability, claims, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Assignee or its assigns because of the use in or about the construction or operation of any of the Equipment of any design, system, process, formula, combination, article or material which infringes or is claimed to infringe on any patent or other right. The Assignee will give prompt notice to the Builder of any claim actually known to the Assignee which is based upon any such alleged

infringement and will give the Builder the right, at the Builder's expense, to compromise, settle or defend against such claim. The Builder agrees that any amounts payable to it by the Vendee or the Lessee with respect to the Equipment, whether pursuant to the Conditional Sale Agreement or otherwise, not hereby assigned to the Assignee, shall not be secured by any lien, charge or security interest upon the Equipment or any unit thereof.

SECTION 4. The Assignee, on each Closing Date fixed as provided in Article 4 of the Conditional Sale Agreement with respect to a Group (as defined in said Article 4) of the Equipment, shall pay to the Builder an amount equal to the portion of the Purchase Price thereof which, under the terms of said Article 4, is payable in instalments, provided that there shall have been delivered to the Assignee on or prior to such Closing Date, the following documents, in form and substance satisfactory to it and to its special counsel, Messrs. Cravath, Swaine & Moore, in such number of counterparts as may be reasonably requested by said special counsel:

(a) a bill of sale from the Builder to the Assignee transferring to the Assignee the security interest of the Builder in such units, warranting to the Assignee and to the Vendee that, at the time of delivery of such units under the Conditional Sale Agreement, the Builder had legal title to such units and good and lawful right to sell such units and such units were free of all claims, liens, security interests and other encumbrances of any nature except only the rights of the Vendee under the Conditional Sale Agreement, the Assignee under this Assignment and the rights of the Lessee under the Lease, and covenanting to defend the title to such units against demands of all persons whomsoever based on claims originating prior to the delivery of such units by the Builder under the Conditional Sale Agreement;

(b) a Certificate or Certificates of Acceptance with respect to the units of the Equipment in such Group as contemplated by Article 3 of the Conditional Sale Agreement and § 2 of the Lease;

(c) an invoice of the Builder for the units of the Equipment in such Group accompanied by or having endorsed thereon a certification by the Vendee and the Lessee as to their approval thereof;

(d) an opinion of counsel for the Builder, dated as of such Closing Date, addressed to the Assignee and the Vendee, to the effect that the aforesaid instrument or instruments and invoice have been duly authorized, executed and delivered by the Builder and are valid and effective to vest in the Assignee the security interest of the Builder in, and in the Vendee title to, the units of the Equipment in such Group, free from all claims, liens, security interests and other encumbrances (other than those created by the Conditional Sale Agreement and this Assignment and the rights of the Lessee under the Lease) arising from, through or under the Builder; and

(e) a receipt from the Builder for any payment (other than the payment being made by the Assignee pursuant to the first paragraph of this Section 4) required to be made on such Closing Date to the Builder with respect to the Equipment, unless such payment is made by the Assignee with funds furnished to it for that purpose by the Vendee.

In the event that the Assignee shall not make any such payment, the Assignee shall reassign to the Builder, without recourse to the Assignee unless the Assignee shall have failed to make such payment notwithstanding its receipt of the documents specified in this Section 4 and compliance by the Builder with the provisions of Sections 2 and 7 hereof in satisfactory form as aforesaid, all right, title and interest of the Assignee in and to the units of the Equipment with respect to which payment has not been made by the Assignee.

SECTION 5. The Assignee may assign all or any of its rights under the Conditional Sale Agreement, including the right to receive any payments due or to become due to it from the Vendee thereunder. In the event of any such assignment, any such subsequent or successive assignee or assignees shall, to the extent of such assignment, and upon giving the written notice required in Article 14 of the Conditional Sale Agreement, enjoy all the rights and privileges and be subject to all the obligations of the Assignee hereunder.

SECTION 6. The Builder hereby:

(a) represents and warrants to the Assignee, the Vendee and their successors and assigns, that this Assignment and the Conditional Sale Agreement were

duly authorized by it and lawfully executed and delivered by it for valid consideration, that, assuming due authorization, execution and delivery by the other parties hereto and thereto, this Assignment and the Conditional Sale Agreement are, in so far as the Builder is concerned, legal, valid and existing agreements binding upon the Builder in accordance with their terms and that, in so far as the Builder is concerned, they are now in force without amendment thereto;

(b) agrees that it will from time to time, at the request of the Assignee or its successors or assigns, make, execute and deliver all such further instruments of assignment, transfer and assurance and do all such further acts and things as may be necessary and appropriate in the premises to give effect to the provisions hereinabove set forth and more perfectly to confirm the rights, titles and interests hereby assigned and transferred to the Assignee or intended so to be; and

(c) agrees that, subsequent to payment of the sums due it hereunder and under the Conditional Sale Agreement upon request of the Assignee, its successors and assigns, it will execute any and all instruments which may be necessary or proper in order to discharge of record the Conditional Sale Agreement or any other instrument evidencing any interest of the Builder therein or in the Equipment.

SECTION 7. The terms of this Assignment and all rights and obligations hereunder shall be governed by the laws of the State of Michigan, wherein the Builder has its chief place of business; provided, however, that the parties shall be entitled to all the rights arising out of the filing, recording or depositing of the Conditional Sale Agreement or this Assignment and any financing statements related thereto as shall be conferred by the laws of the several jurisdictions in which the Conditional Sale Agreement or this Assignment or any financing statements related thereto shall be filed, recorded or deposited, or in which the Equipment shall be located, and any rights arising out of the marking on the units of Equipment.

SECTION 8. This Assignment may be executed in any number of counterparts, such counterparts together constituting but one and the same contract, but the counterpart marked Original delivered to the Assignee shall be deemed to be the original counterpart and all other counterparts shall be deemed to be duplicates thereof. Although for convenience

this Assignment is dated as of the date first above written, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

IN WITNESS WHEREOF, the parties hereto, each pursuant to due corporate authority, have caused this instrument to be executed in their respective names by duly authorized officials, and their respective seals to be hereunto affixed and duly attested, all as of the date first above written.
